Modernism and Empire Howard J. Booth,Nigel Rigby,2000-06-10 This is the first book to explore the fascinating relationship between literary Modernism and Empire The book seeks to begin the task of exploring in a sustained way the relations between the artistic movement and colonialism The essays range over subjects and figures such as Ireland Africa Joyce Pound Townsend Warner Lawrence and Forster Kipling Woolf and Jean Rhys **Katherine Mansfield and Literary Influence** Sarah Ailwood,2015-06-16 This book maps the ecologies of Mansfield s influences beyond her modernist and postcolonial contexts observing that it roams wildly over six centuries across three continents and beyond cultural and linguistic boundaries **Encounters: The Creation of New Zealand** Paul Moon,2013-07-24 Throughout its human history New Zealand has been interpreted and experienced in often radically different ways Each wave of arrivals to its shores has left its own set of views of New Zealand on the country applying a new coat of mythology and understanding to the landscape usually without fully removing the one that lies beneath it Encounters is the wide ranging audacious and gripping story of New Zealand s changing national identity how it has emerged and evolved through generations In this genre busting book historian Paul Moon delves into how the many and conflicting ideas about New Zealand came into being Along the way he explores forgotten crevices of the nation s character and exposes some of the mythology of its past and present These include for example the earliest Maori myths and the mock sacredness of the All Blacks in the twenty first century the role of nostalgia in our national character both Maori and Pakeha whether the explorer Kupe existed the appeal of the Speight s Southern Man and ruminations on New Zealand art and landscape What results is an absorbing piece of scholarship an imaginative and exuberant epic that will challenge preconceptions about what it means to be a New Zealander and how our country is understood Lyrical breathtaking and provocative and illustrated with artworks throughout Encounters offers an extraordinary insight into the beginnings of our country [The Bloomsbury Handbook to Katherine Mansfield](#) Todd Martin,2020-12-10 Through her formally innovative and psychologically insightful short stories Katherine Mansfield is increasingly recognised as one of the central figures in early 20th century modernism Bringing together leading and emerging scholars and covering her complete body of work this is the most comprehensive volume to Mansfield scholarship

Katherine Mansfield and Germany Janet M. Wilson, Tracy Miao, 2025-06-09 Katherine Mansfield and Germany is the first study of Mansfield's encounter with Germany and all things German language culture society This crucial area of her life and art has been relatively neglected even though Germany held Mansfield in its thrall all her life as myriad associations found in her fiction notebooks and letters confirm Her immersion in the German language and culture was formative influencing her early poetry and experimental prose writing and as stories published in her first book *In a German Pension* 1911 show was an important foundation for her cosmopolitan post colonial modernism The 13 essays here offer insights onto the German intellectual and artistic heritages of the early 20th century that influenced Mansfield Nietzsche in philosophy the music of Wagner the German Minnesinger and poetry Heine's lyric verse and German folk lore and fairy tales They study the educational and romantic avenues to this heritage her passion for the world of music through the Beauchamp family circle her study of the cello intense relations with the musical Trowell family her longing for German at Queen's College in London because taught by the charismatic Walter Rippmann and her crucially important seven month stay in 1909 in the Bavarian spa town of Wörishofen where she wrote the satires of *In a German Pension* Mansfield's start as a professional writer is considered through biographical psychoanalytical and literary critical readings these include her literary responses to Bavarian culture her fraught personal circumstances her antipodean modernist practice of transposing New Zealand perspectives onto the Germanic narrative space her use of *Sekundenstil* her satire of Bavarian patriarchal attitudes and her adaptations of Märchen There are historical readings of Wörishofen and Rotorua as spa towns renowned for alternative health cures of Mansfield's publications in the *New Age* in 1910 in light of debates about women's emancipation and accelerating Anglo-German tensions prior to World War One while her German legacy is approached through a study of translations of her stories made under Nazi socialism and the German Democratic Republic In examining the enduring impact of German literature philosophy and music on Mansfield's artistic

and intellectual development this volume expands knowledge of the diversity of the continental landscapes that shaped her world view Katherine Mansfield and Germany will be of principal interest to Katherine Mansfield scholars It will also attract a broader readership primarily of academics especially scholars working in modernist studies and graduate students interested in trans national modernism and crossovers between German and English literary musical and historical studies This includes members of the public in Germany and elsewhere with an interest in Mansfield s continental specifically German associations and influences
