Learning the Language of Addiction Counseling Geri Miller, 2020-12-09 Fully revised Learning the Language of Addiction Counseling Fourth Edition introduces students and mental health professionals to the field of addiction counseling and helps them develop the knowledge understanding and skills needed to counsel people who are caught in the destructive cycle of addiction Drawing from her years of experience working in the addiction counseling field Geri Miller provides an engaging balanced overview of the major theoretical underpinnings and clinical practices in the field From assessment and diagnosis of addiction to preparing for certification and licensure as an addiction professional this comprehensive book covers all of the essentials

Counselor Self-Care Gerald Corey, Michelle Muratori, Jude T. Austin, II, Julius A. Austin, 2017-12-08 Self care is critical for effective and ethical counseling practice and this inspirational book offers diverse realistic perspectives on how to achieve work life balance and personal wellness from graduate school through retirement In addition to the authors unique perspectives as professionals at different stages of their careers guest contributors ranging from graduate students to new professionals to seasoned counselors share their experiences and thoughts about self care including what challenges them most Both personal and conversational in tone this book will help you to create your own practical self care action plan through reflection on important issues such as managing stress establishing personal and professional boundaries enhancing relationships and finding meaning in life Counselors face the obstacle of remembering to care for themselves while focusing on caring for others In Counselor Self Care Drs Gerald Corey Michelle Muratori Jude Austin and Julius Austin lead 52 contributing authors in a book rich with living events and defining moments Multiple stressors are described and met with multiple solutions There is so much great content here that can be embraced by those who do the noble work of being present for others Tom Skovholt PhD LP Professor University of Minnesota Author of The Resilient Practitioner Burnout and Compassion Fatigue Prevention and Self Care Strategies for the Helping Professions 3rd Edition Self care is often discussed in counselor training and supervision but not in its full scope Counselor Self Care provides breadth and depth by addressing the many facets of self care The authors combine personal narratives and anecdotes from experienced mental health professionals with self assessment questions and self care improvement strategies The level of vulnerability and insight from the authors and those who share their stories is informative and rare to find Assign this book as reading for yourself your students and your supervisees to motivate nurturing of the self Philip Clarke PhD Associate Professor Wake Forest University Requests for digital versions from ACA can be found on www.wiley.com To request print copies please visit the ACA <https://imis.counseling.org/store/detail> Reproduction requests for material from books published by ACA should be directed to publications.counseling.org

Editors on Editing Gerald Gross, 1993 An indispensable guide for editors would be editors and especially writers who want to understand the publishing process In this classic handbook top professionals write about the special

demands and skills necessary for particular areas of expertise mass market romance special markets and more *Science and Industry* ,1902 **Gillette's Social Redemption** ,1907 Congressional Record United States. Congress,1963

The Survey ,1907 **Cancer and Self-help** Mark A. Chesler,Barbara K. Chesney,1995 Written for and about the special population of parents of children with cancer this book explores the remarkable effectiveness of self help groups and profiles their rapid rise as a resource complementing traditional health care Mark A Chesler and Barbara K Chesney draw on their own experience as members of such groups and on a combined thirty years of research on self help They provide essential information for families of children with cancer and other chronic life threatening illnesses for health care professionals working with them and for scholars of self help and psychosocial processes in health care including explanations of how self help groups function why they are effective and how they can be created and maintained The authors show that through self help groups parents can learn coping skills find personal affirmation and mutual support and share the wisdom gained from their experiences Chesler and Chesney find that group participation improves parents coping capabilities in the face of terrible odds and fosters an increased sense of empowerment as they care and advocate for their children in an increasingly complex health care system Cancer and Self Help distills the experiences of more than fifty self help groups and their members over twelve years It also places cancer self help groups in a larger context comparing them to other social movement organizations and to other strategies for personal coping or change The book includes the voices of individual parents and professionals recounting their experiences detailed examples of group activities programs operating procedures and organizational structures fundamental how to information on forming a self help group comments on the roles and dilemmas of health care professionals in these groups and on the medical care system as a whole and interpretations of these individual and organizational dynamics
