## **Thackeray Library:**

**The William Makepeace Thackeray Library** Richard Pearson, 2021-05-13 First published in 1996 The William Makepeace Thackeray Library is a collection of texts written by and about the novelist which provide an insight into his life and works beyond his major novels such as *Vanity Fair* It begins with some of Thackeray's lesser known journalistic work and travel writings and moves on to key works written about the author in the second half of the 19th century and at the turn of the 20th century Each volume begins with an informative introduction by Richard Pearson providing a brief analysis of each text and presenting the context in which it was written This set will be of keen interest to those studying William Thackeray and nineteenth century literature more broadly *A Thackeray Library*, 1919 [A Thackeray Library \(Classic Reprint\)](#)

Henry Sayre Van Duzer, 2015-08-05 Excerpt from *A Thackeray Library* Man has ever been fascinated by the joy of collecting from X the days when a pebble of special roundness or a mammoth bone of enticing sharpness appealed to the artistic tastes of our distant ancestors and the bliss of it all has never been more pronounced than it is to day with our widening opportunities and abounding wealth less war taxes When hooks were first made men longed to possess them and gathered them together in great libraries only to be dispersed later by sale or destroyed by the invasion of unwelcome neighbors who could not read In our own day there is no author so appealing to the collector as Thackeray Like Dickens a number of his volumes were published in parts and the possession of these with the original covers untinged by dust and the advertisements intact is the proper object of every well regulated ambition and to bind them would be but to destroy much of their value Unlike many of the writer clan Thackeray has other claims to our consideration and esteem He was something of an artist as well and a versifier of real ability He was never a great painter or draftsman but at the same time there is something appealing about his drawings that makes us overlook their technical shortcomings More often than not his drawings were caricatures but their aptness and their humor made them appeal strongly to the reader Conscious of his inability to draw well Thackeray modestly permitted Doyle to illustrate *The Newcomes* and while the result showed greater technique the world lost and missed Thackeray's brilliant humor Most of us now I think acknowledge that *Vanity Fair* is the most admirably illustrated hook extant Original drawings by Thackeray are becoming more valuable every year and this tendency increases as they inevitably become more rare The examples treasured up by his daughters have finally been dispersed and many of the best of these have been acquired by public libraries or museums or have been gathered into large private collections where they will probably remain for many years if not forever About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The William Makepeace Thackeray Library* Richard Pearson,2016-07-28 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist William Makepeace Thackeray spent part of virtually every year of his writing life in Paris and he wrote continually on France and French culture This volume contains a selection of Thackeray s travel writing the majority of which centres around his time spent in France with the addition of some writing on his travels to Germany and America With an explanatory introduction by Richard Pearson this book reveals some of Thackeray s lesser known work which would later inform his novels This book will be of interest to those studying Thackeray and nineteenth century travel writing and literature **The William Makepeace Thackeray Library** Richard Pearson,2016-08-05 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist This sixth volume contains the work of Lewis Melville one of the most productive biographers and critics of Thackeray at the turn of the 20th century Richard Pearson s helpful introduction not only provides additional information on the biographer himself but also analyses the text and tracks its development over time This book will be of interest to those studying Thackeray and nineteenth century literature **The William Makepeace Thackeray Library: With Thackeray in America** William Makepeace Thackeray,1996 **The William Makepeace Thackeray Library** Richard Pearson,2018-01-18 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist This first volume contains extracts of William Makepeace Thackeray s early fiction and journalism in the 1830s and 1840s In his early career Thackeray worked as an editor sub editor writer reviewer foreign journalist illustrator versifier and hack reporter and by 1847 had managed to maintain an unbroken and multi faceted literary output through magazines journals and newspapers for fourteen years With an introduction by Richard Pearson this book reveals some of Thackeray s early and lesser known work This book will be of interest to those studying Thackeray and nineteenth century literature **The William Makepeace Thackeray Library: The life of William Makepeace Thackeray** William Makepeace Thackeray,1996 **Catalogue of the library of W.M. Thackeray** Christie's (Londen),1864 *The William Makepeace Thackeray Library* Richard Pearson,2016-07-07 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist This fifth volume contains the memoir of Eyre Crowe who accompanied Thackeray on his tour of America The account offers an outsider s glimpse into the professional and public world of William Thackeray whilst on his tour of the United States It provides the itinerary of the trip as well as images of the places and people met on the tour which the reader could not obtain from Thackeray s letters alone The introduction by Richard Pearson discusses Crowe and Thackeray s relationship Thackeray s role as a public speaker and his opinion on slavery a heated issue in both England and America at the time This book will be of interest to those studying Thackeray and nineteenth century travel writing and literature A Thackeray Library... Collected by Henry Sayre Van Duzer.. Henry

Sayre Van Duzer, Lionel Stevenson, 1965      **The William Makepeace Thackeray Library: The early writings of William Makepeace Thackeray** William Makepeace Thackeray, 1996      The William Makepeace Thackeray Library Richard Pearson, 2018-01-18 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist This third volume contains Anthony Trollope s volume on Thackeray from John Morley s series entitled The English Men of Letters The work signifies Thackeray s move to perceived respectability placing him as part of the literary establishment alongside writers such as Spenser Johnson Milton Chaucer Pope and Wordsworth The introduction by Richard Pearson outlines the context in which the volume was written and received including Trollope and Thackeray s relationship and the book s critical reception This book will be of interest to those studying Thackeray and nineteenth century literature      *A Thackeray Library* Henry Sayre Van Duzer, 1971      *Thackeray: an Appreciation* Charles Locke Eastlake, 1903      *A Thackeray library* Henry S. Van Duzer, 1971      **The William Makepeace Thackeray Library** Richard Pearson, 2016-07-15 First published in 1996 The William Makepeace Thackeray Library is a collection of works written by and about the novelist This fourth volume contains Charles Plumtre Johnson s The Early Writings of William Makepeace Thackeray and Adolphus Alfred Jack s Thackeray A Study While Johnson s work signifies a landmark in Thackeray scholarship recognizing his lesser known work for magazines and newspapers A Jack s text marks a major reassessment of Thackeray s work in light of the debate on the moral intentionality of fiction Richard Pearson s introduction guides the reader through the context of each publication providing a helpful explanation of how and why these works were written This book will be of interest to those studying Thackeray and nineteenth century literature      **A Thackeray Library** Henry Sayre Van Duzer, 1919      **Thackerayana** William Makepeace Thackeray, Joseph GREGO, 1875      **The William Makepeace Thackeray Library** William Makepeace Thackeray, 1996
