

GUIDED VISUALIZATION

HAPPETIVE

A young girl with dark hair is smiling softly, her face framed by two hands. The hands are positioned as if holding a camera, with the fingers forming a rectangular frame around her face. The background is a soft, out-of-focus green, suggesting an outdoor setting. The overall mood is calm and focused.

Enlightenment Is the Secret to Fly Devinder Sharma,2011-10-28 Each one of us is

confronted with the same question at sometime or the other Who am I There is no one person within struggling with a monkey on their shoulders Either we tame this monkey and experience true happiness joy and enlightenment or surrender which take us on the road to disillusionment surrender to the meandering mind and a wasted life Search for one's soul is a difficult road but there is light at the end The path whether religious humanistic mystic or scholarly or work centered releases energy within and creates opportunity to break out of our shackles Sincere effort is rewarded with direction provoked by unfathomable forces As one traverses the path of self discovery milestones have no meaning but what matters is to find wings to fly Enlightenment is the Secret to Fly wrestles with Who am I The novel a fictional story takes the reader on a tour of beliefs thoughts customs and sensibilities of Indian spiritual and religious thought and explores concepts of happiness joy and enlightenment The protagonist is a middle aged company executive who wants to opt out from the rat race and his efforts brings him to a sadhu who has achieved enlightenment at a young age and the novel follows the life of this sadhu from childhood schooling his tragedies training in a hermitage and his eventual enlightenment his leaving the hermitage and his travels As he travels in the Himalayas he encounters people from many parts of the world seeking peace happiness tranquility and a meaning in their sufferings and life Life outside his hermitage is very different and he is saddened with the injustice insensitivity and the unhappy lives of people He seeks a different enlightenment and believes that institutions including hermitages where he spent many years temples organized religion or governments unable to provide the means for peace and happiness in spite of the many organized entities intruding in peoples lives individual unhappiness and disillusionment were increasing Since what men seek lie within hence solutions to ones discontent is personal He finds a simple solution at the end of his travels that will end mans misery and brings joy back in their lives
