Summit Chase:

Summit Chase Warren Murphy, Richard Sapir, 2023-09-01 The small African nation of Scambia is in danger and it doesn't even know it. International syndicates want to create a lawless safe haven for well-heeled criminals and Scambia fits the bill perfectly. But they have a problem: the president of Scambia is a dedicated servant of his country. But the vice president isn't. All that's needed is financial backing, good timing, and a little honour among thieves, and this fragile democratic nation will fall. What the criminals won't count on is Remo Williams. Remo is The Destroyer, an ex-cop who should be dead but instead fights for the secret government law enforcement organisation CURE. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time. *Summit Chase* Warren

Murphy, 1998-05-31 The President of Scambia's life is in danger when one sleazy goon schemes to assassinate not only a leader but immobilize and destroy the entire country and transform its peaceful society into a thundering safe haven for international hoods. Master Chiun and his protégé Remo Williams descend on the scene to combat the treacherous plot, but not without a fight. **FOR THE LOVE OF VINES** N. L. Hurtic, 2019-10-15 A young woman approaching her 21st birthday with no known ties to her family or past receives a mysterious phone call from a foreigner who claims to be a relative. Against her better judgement, she follows her intuition and it takes her beyond her familiar town where she had lived all of her life.

way down to the deep south where further events begin to cause her to question her very self and the belief in the things that have always kept her grounded and able to survive on her own. As the story unfolds, the reader accompanies her as she begins to question her very sanity as she fights the spark in a belief in things and possibilities she would rather not face. Helped by a sure-of-himself local who is trying to persuade her to allow their friendship to develop into something more, she finds a small comfort in knowing she has someone to try to make sense of the strange series of events within this coming-of-age story about one young woman who is connected to a place more than she knows. **Polk's Ann Arbor, Ypsilanti and Washtenaw County Directory**, 1910 **Earth 3050** Christopher Rocci, 2014-03-24 In the distant future, men return to an irradiated Earth. Hoye's City Directory of Kansas City, 1898 **Union City City Directories**, 1909 The Mantis Philip Temple, 2014-03-03 It is not the courage to go back up that we need. It's the courage to go down. Just to go on. In 1977 a British expedition led by Himalayan veteran Geoff Strickland, summiteer of K2 and Everest among others, set off to attempt the first ascent of unclimbed Puthemojar the Mantis in the Karakoram, 25,311 feet high, renowned for its difficulty and with a fearsome reputation. The Mantis had claimed the life of at least one climber on each of the previous expeditions that had attempted to scale its complex series of ridges and icefalls. In order to claim the coveted first ascent, Strickland put together a small team comprising the cream of British mountaineering talent, his long-time Himalayan climbing partner and

photographer Michael Blackmore the redoubtable northerner Joe Dodge as tough as they come Dodge's regular partner and another veteran of numerous Himalayan expeditions Doug Lowrie and two young guns Brit Alan Wyllie and Kiwi Peter Chase a pair who had been tearing up the Alpine rule book with daring ascents on the steepest and most difficult faces Although Michael Blackmore's 1980 record of the climb The Last Challenge has become a classic of mountaineering literature Blackmore himself was never satisfied it told the full story of the events on Puthemojar in 1977 Before his death in 2000 Blackmore had prepared a draft manuscript a creative narrative of the expedition which with thanks to Blackmore's widow has now been completed by award winning author and mountaineer Philip Temple While perhaps best regarded as a work of fiction The Mantis tells for the first time the gripping story of that 1977 British expedition to Puthemojar It is a portrait of these men their drive this mountain and a credible testimony of just what went on high on the Mantis *Lovers, Liars, and Lawyers* Mary Anne Allen-Peirano-Snell,2014-02-19 You name it this story has it It is fantastic lurid terrifying and awe inspiring Mary Anne struggles to overcome the treachery of doctors and lawyers bribed by her husband Edsel in the court battles that ensued She has ongoing health problems and will never be the same as she was before she met Edsel Justice was not done *Glen V.
