Relative Truth, Ultimate Truth Jaimal Yogis, Geshe Tashi Tsering, 2010-10 *Relative Truth Ultimate Truth* is a clear and remarkably practical presentation of a core Buddhist teaching on the nature of reality Geshe Tashi Tsering provides readers with an excellent opportunity to enhance not only their knowledge of Buddhism but also a powerful means to profoundly enhance their view of the world The Buddhist teaching of the two truths is the gateway to understanding the often misunderstood philosophy of emptiness This volume is an excellent source of support for anyone interested in cultivating a more holistic and transformative understanding of the world around them and ultimately of their own consciousness

Ultimate Truth D. D. Peter C. Rogers, D. D. Ph. D. Peter C. Rogers, 2009-05 **ULTIMATE TRUTH** is the first volume of the TRUTH series It is a riveting thought provoking masterpiece of theories philosophy and great spiritual insight about our Divine nature and Celestial origins It delves heavily into the esoteric and occult teachings that many are often unaware of or too afraid to accept In this book author Peter C Rogers D D Ph D takes on many of the topics that are taboo or often hard to understand and simplifies them for the common lay person This book will prompt you to ponder and even question a lot of the things you hold to be true It will shake your foundation to the core causing you to wonder why you've never been taught these things in school in church or in society By the same token this book will be met with public ridicule controversy and resistance by those who are still unwilling to accept the Ultimate Truth about our Being As this book will point out we are living in an age where truth is our only salvation and the deception of the elite will no longer be tolerated by the masses Our planetary consciousness is stirring and we as a race of Cosmic Spiritual Beings are heeding the call of the Divine in our spirits and in our genetic memory code This book is yet another piece of the awakening process for all those who look therein It is a synthesis of various truths fundamental spiritual beliefs powerful incite and thought provoking stimuli The only thing that now stands between you and a new way of life is You for a closed mind is a barrier against change May your life be forever altered by the renewing of your mind and the liberation of your Spirit New Outlook, 1954 **The Felt**

Meanings of the World Quentin Smith, 1986 In a critical dialogue with the metaphysical tradition from Plato to Hegel to contemporary schools of thought the author convincingly argues that traditional rationalist metaphysics has failed to accomplish its goal of demonstrating the existence of a divine cause and moral purpose of the world To replace the defective rationalist metaphysics the author builds a new metaphysics on the idea that moods and affects make manifest the world's felt meanings he argues that each feature of the world is a felt meaning in the sense that each feature is a source of a feeling response if and when it appears The author asserts that we must synthesize our two ways of knowing poetic evocations and exact analyses in order to decide which mood or affect is the appropriate appreciation of any given feature of the world Smith gives evocative and exact explications of such features as the world's temporality appearance and mind independency as these features appear in the appropriate recitations The Apocalypse Explained, According to the Spiritual Sense
