Social Work Ethics in a Changing Society MICHAEL. REISCH, 2020-10-07 Social Work Ethics in a Changing Society analyzes the challenges social workers face in applying social work values and ethics due to recent significant social political cultural and technological changes It provides readers with guidelines for ethical practice based on a philosophic foundation rooted in social justice principles The book begins with a summary of key ethical concepts and principles It then provides a brief history of social work ethics and analyzes their core assumptions in the context of new realities The book provides readers with several frameworks through which to analyze a variety of contemporary ethical issues In subsequent chapters it applies these frameworks to situations largely derived from real world experience Global sources provide a comparative perspective on the interpretation and implementation of social work values and ethics The book contains extensive case examples and reflection exercises that illustrate ethical dilemmas in all areas of practice and those created or complicated by increasing social and cultural diversity It includes content on the application of ethics to policy practice through examples drawn from the 2010 Affordable Care Act the nation's response to the coronavirus pandemic and other current policy issues Designed to help current and future social workers navigate a fractious ever evolving society Social Work Ethics in a Changing Society is an excellent resource for students faculty and practitioners within the discipline

Positive Psychology as Social Change Robert Biswas-Diener, 2011-02-01 In recent times there has been growing interest in positive psychology as evidenced by the swell in positive psychology graduate programs undergraduate courses journals related to the topic popular book titles on the topic and scholarly publications Within the positive psychology community there has been an increased emphasis on the socially beneficial side of positive psychological

science At the First World Congress of the International Positive Psychology Association there was a major push to look at positive psychology as a social change mechanism This volume will bring together thoughts of leaders in positive psychology from 8 countries to capitalize on the push toward social change and flourishing By releasing this title at a critical time Springer has the opportunity to help frame the agenda for positive psychology as a force for social change This seminal work is meant for anyone interested in happiness strengths flourishing or positive institutions It introduces Positive Psychology as an unapplied science that can be used to create positive social transformation and enabling institutions This is a must have title for academics especially psychologists sociologists economists and professionals working in the field of Positive Psychology and Well Being

Social Change and Social Work Dr Elina Virokannas, Dr Pirkko-Liisa Rauhala, Dr Timo Harrikari, 2014-08-28 Social Change and Social Work discusses and examines how social work is challenged by social political and economic tendencies going on in current societies The authors ask how social work as a discipline and practice is encountering global and local transformations Divided into three parts topics covered include the changing social work mandate throughout history social work paradigms and theoretical considerations phenomenological social work practice research and gender and generational research Taken together the chapters in this anthology provide an authoritative and up to date overview of current discussions within the European social work research community

Affecting Change Karen S. Haynes, James S. Mickelson, 1997 Updated to reflect the changes in social welfare policy and the advances in technology this revision continues to provide new ideas and strategies to help readers become better advocates for future clients Focusing on advocacy as the central mission of social work practice *Affecting Change* Fourth Edition is a practical step by step guide to developing political action skills and integrating them with traditional social work skills The book stresses the growing need for social workers to affect social policy through political action Praised for its conversational style and its ability to translate complex political terms into accessible language this book does not intimidate readers with the political process Instead lively and pithy vignettes from practicing professionals enhance the practicality and currency of this book For anyone interested in social work skills as they relate to the political process

Social Justice in Social Work Sandeep Krishnamurthy, 2025-02-20 Social Justice in Social Work Theory and Practice offers a comprehensive exploration of principles strategies and challenges in pursuing social justice within the field of social work We delve into the theoretical foundations of social justice examining its roots in various philosophical traditions and its application to contemporary social issues Readers will gain insights into concepts such as equality equity diversity and inclusion Our book not only elucidates theoretical frameworks but also provides practical guidance on promoting social justice in everyday practice Through real life case studies and examples we underscore the importance of understanding power dynamics privilege and oppression in addressing social injustices We emphasize the role of advocacy activism and community organizing in fostering positive social change This indispensable resource challenges readers to critically reflect on their biases and assumptions

encouraging active engagement in anti oppressive practices With a blend of theoretical analysis and practical strategies our book serves as a vital tool for social workers committed to advancing social justice and promoting a more equitable society

Social Action and Social Change ,1990 **Changing Hats While Managing Change** Felice Davidson

Perlmutter, Wendy P. Crook,2004 A unique and useful guide for practitioners who want to broaden their repertoire of professional choices and are either moving up the administrative ladder or considering making a career move in that direction In user friendly language this book addresses the major challenges that face social workers in these complex times and presents a picture of the various roles and responsibilities of administration illustrating them with lively case studies

Social Work in Contemporary Society Charles D. Garvin,John E. Tropman,1992 This book uses an ecological framework in which to explore social welfare and the methods of social work practice It covers the history of social work and social welfare the characteristics of social work as a profession and how social workers draw on research to improve the effectiveness The book also shows how social work can influence the physical environment and housing and the uses of social work in business and industry

Change Research Corey S. Shdaimah,Roland W. Stahl,Sanford Schram,2011 Collaborating with community members adds a critical dimension to social work research providing practitioners with intimate knowledge of a community s goals and needs while equipping community advocates with vital skills for social change Sharing the inspiring story of one such partnership Corey Shdaimah Roland Stahl and Sanford F Schram recount their efforts working with an affordable housing coalition in Philadelphia helping activists research low income home ownership and repair Their collaboration helped create the Philadelphia Housing Trust Fund which funnels millions of dollars to people in need This volume describes the origins of their partnership and its growth including developing tensions and their diffusion in ways that contributed to the research The authors personalize methods of research and the possibilities for advocacy ultimately connecting their encounters to more general critical themes Building on the field s commitment to social justice they effectively demonstrate the potential of change research to facilitate widespread long term difference and improve community outcomes

Social Work with Groups Association for the Advancement of Social Work with Groups. International Symposium,Nancy Elizabeth Sullivan,N. C. Lang,E. S. Mesbur,2003 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you ll discover in *Social Work with Groups Social Justice Through Personal Community and Societal Change* will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In *Social Work with Groups Social Justice Through Personal Community and Societal Change* you ll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching

guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality Social Work with Groups will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you

Anti-Opressive Social Work Practice Karen Morgaine, Moshoula Capous-Desyllas, 2014-07-01 Anti Oppressive Social Work Practice is the first text to fully integrate concepts of anti oppressive practice with generalist practice course content This comprehensive approach introduces concepts of social justice and offers detailed insight into how those principles intersect with the practice of social work at the micro mezzo and macro levels The book covers ethics values and social work theory and discusses the fundamentals of working with individuals families groups organizations and communities The book also highlights policy and social movement activism and practice within a global context Maintaining an integrative approach throughout authors Karen Morgaine and Moshoula Capous Desyllas effectively bridge the gap between anti oppressive principles and practice and offer a practical comprehensive solution to schools approaching reaccreditation under the mandated CSWE Standards Provides an important step in the ongoing evolution of generalist practice in social work It continues a rich tradition that challenges the profession to become more and more explicit about the revolutionary aspect of practice Christian Itin Metropolitan State University of Denver Offers a fresh perspective of social work practice interventions Terrence Allen North Carolina Central University

Organising for Social Change David N Thomas, 2023-11-05 Originally published in 1976 the aim of this book was to understand the contribution of community work to meeting some of the problems to be found in many of Britain s inner city neighbourhoods It describes the community work process and the tasks roles and skills of the professional community worker as he interacts with neighbourhood groups and service agencies The author also indicates some of the strengths of collective action and its likely benefits and costs to those who participate The book includes an examination of how to effect changes in the delivery of services from statutory and voluntary agencies as well as an assessment of the community project of which the author was a staff member The book is a contribution to the theory of community work and practice and it is based upon the experience of those who worked in and used the Southwark Community Project established by the National Institute for Social Work It was written for practitioners teachers and students of community work as well as for other closely involved in community affairs such as teachers playground workers planners and social workers

Social Work Practice Bloomsbury Publishing, 1996-03-30 Pardeck demonstrates that the ecological approach to social work practice stresses effective intervention and that effective

intervention occurs through not only working with individuals but also with the familial social and cultural factors that impact their social functioning. The power of the ecological approach through focusing on multiple factors for assessment and intervention is that it integrates empirically based theories from various fields including social work psychology sociology and anthropology. Pardeck provides an orientation to the role of social work practitioners within the human services. He differentiates the unique contributions of social work and explains them in terms of the needs and goals of an ecological approach to practice. An ecological approach to practice stresses that effective social work intervention occurs through not only working with individuals but also with the familial social and cultural factors that impact their social functioning. The power of the ecological approach through focusing on multiple factors for assessment and intervention is that it integrates empirically based theories from various fields including social work psychology and anthropology. The book represents an effort to define the goals commitments and approaches that have emerged out of the history of social work and to relate them to similar concepts and values that are central to an ecological approach to practice. Three pervasive and unifying themes run through the book. One is the constant commitment to goals of facilitating human development. Pardeck suggests this is a central ethic that defines and distinguishes an ecological approach to social work practice. The second theme is an affirmation of the basic utility of a systems approach in conceptualizing and intervening in human needs concerns and problems. The ecological perspective views human beings as social organisms engaged in patterns of relationships that nurture or inhibit this basic humanity. The third theme is an interactionist view of the importance of person environment fit as a central dynamic in human functioning. The traditional intra psychic aspects of human behavior have tended to obscure the immense importance of both nurturing and potentially damaging forces at work in the social environment. This volume will be of considerable interest to social work educators and practitioners as well as their research libraries.

What is Professional Social Work? Malcolm Payne, 2006. What is Professional Social Work is a now classic analysis of social work as a discourse between three aspects of practice: social order, therapeutic and transformational perspectives. It enables social workers to analyse and value the role of social work in present day multiprofessional social care. This completely re-written second edition explores social work's struggle to meet its claim to achieve social progress through interpersonal practice. Important features of this new edition include practical ways of analysing personal professional identity, understanding how social workers embody their profession in their practice with other professionals, detailed analysis of current and historical documents defining social work and social care, analysis of values, agencies and global social work. This new edition will stimulate social workers, students and policy makers in social care to think again about the valuable role social work plays in society.
