Wizard's Bane Rick Cook, 1997-10-01 Q How does a shanghaied computer geek conquer all the forces of Darkness and win the love of the most beautiful witch in the world A By transforming himself from a demon programmer into a programmer of demons It all began when the wizards of the White League were under attack by their opponents of the Black League and one of their most powerful members cast a spell to bring forth a mighty wizard to aid their cause What the spell delivered was master hacker Walter Wiz Zumwalt The wizard who cast the spell was dead and nobody not the elves not the dwarves not even the dragons could figure out what the shanghaied computer nerd was good for But spells are a lot like computer programs and in spite of the Wiz s unprepossessing appearance he was going to defeat the all powerful Black League win the love of a beautiful red haired witch and prove that when it comes to spells and sorcery nobody but nobody can beat a Silicon Valley computer geek At the publisher s request this title is sold without DRM Digital Rights Management

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

The Wiz Biz Rick Cook, 2016-01-16 It all began when the wizards of the White League were under attack by their opponents of the Black League and one of their most powerful members cast a spell to bring forth a mighty wizard to aid their cause What the spell delivered was master hacker Walter Wiz Zumwalt The wizard who east the spell was dead and nobody not the elves not the dwarves not even the dragons could figure out what the shanghaied computer nerd was good for But spells are a lot like computer programs and in spite of the Wiz s unprepossessing appearance he was going to defeat the all powerful Black
