Woman Soldier:

A Woman Soldier's Own Story Bingying Xie, 2001-09-18 For the first time a complete version of the autobiography of Xie Bingying 1906-2000 provides a fascinating portrayal of a woman fighting to free herself from the constraints of ancient Chinese tradition amid the dramatic changes that shook China during the 1920s, 30s and 40s. Xie's attempts to become educated, her struggles to escape from an arranged marriage and her success in tricking her way into military school reveal her persevering and unconventional character and hint at the prominence she was later to attain as an important figure in China's political culture. Though she was tortured and imprisoned, she remained committed to her convictions. Her personal struggle to define herself within the larger context of political change in China early in the last century is a poignant testament of determination and a striking story of one woman's journey from Old China into the new world. **A Soldier**

and a Woman Gerard J. De Groot, C. Peniston-Bird, 2014-07-30 The question of women's role in the military is extremely topical. *A Woman and a Soldier* covers the experiences of women in the military from the late mediaeval period to the present day. Written in two volumes, this comprehensive guide covers a wide range of wars: The Thirty Years War, the French and Indian Wars in Northern America, the Anglo-Boer War, the First and Second World Wars, the Long March in China, and the Vietnam War. There are also thematic chapters including studies of terrorism and contemporary military service. Taking a multidisciplinary approach—historical, anthropological, and cultural—the book shows the variety of arguments used to support or deny women's military service and the combat taboo. In the process, the book challenges preconceived notions about women's integration in the military and builds a picture of the ideological and practical issues surrounding women soldiers. **The**

Lonely Soldier Helen Benedict, 2009-04-01 *The Lonely Soldier* the inspiration for the documentary *The Invisible War* vividly tells the stories of five women who fought in Iraq between 2003 and 2006 and of the challenges they faced while fighting a war painfully alone. More American women have fought and died in Iraq than in any war since World War Two, yet as soldiers they are still painfully alone. In Iraq, only one in ten troops is a woman, and she often serves in a unit with few other women or none at all. This isolation, along with the military's deep-seated hostility toward women, causes problems that many female soldiers find as hard to cope with as war itself: degradation, sexual persecution by their comrades, and loneliness instead of the camaraderie that every soldier depends on for comfort and survival. As one female soldier said, "I ended up waging my own war against an enemy dressed in the same uniform as mine." In *The Lonely Soldier*, Benedict tells the stories of five women who fought in Iraq between 2003 and 2006. She follows them from their childhoods to their enlistments, then takes them through their training to war and home again, all the while setting the war's events in context. We meet Jen White and from a working-class town in the heartland who still shakes from her wartime traumas; Abbie, who rebelled against a household of liberal Democrats by enlisting in the National Guard; Mickiela, a Mexican American who grew up with a family entangled in L.A. gangs; Terris, an African American mother from D.C. whose childhood was torn by violence; and Eli PaintedCrow, who joined

the military to follow Native American tradition and to escape a life of Faulknerian hardship Between these stories Benedict weaves those of the forty other Iraq War veterans she interviewed illuminating the complex issues of war and misogyny class race homophobia and post traumatic stress disorder Each of these stories is unique yet collectively they add up to a heartbreaking picture of the sacrifices women soldiers are making for this country Benedict ends by showing how these women came to face the truth of war and by offering suggestions for how the military can improve conditions for female soldiers including distributing women more evenly throughout units and rejecting male recruits with records of violence against women Humanizing urgent and powerful *The Lonely Soldier* is a clarion call for change **Women in the Civil**

War Larry G. Eggleston,2015-07-11 When the Civil War broke out women answered the call for help They broke away from their traditional roles and served in many capacities some of them even going so far as to disguise themselves as men and enlist in the army Estimates of such women enlistees range from 400 to 700 About 60 women soldiers were known to have been killed or wounded More than sixty women who fought or who served the Union or Confederacy in other ways are featured Among them are Sarah Thompson the Union spy and nurse who brought down the famous raider John Hunt Morgan Elizabeth Van Lew the Union spy instrumental in the largest prison break of the war Sarah Malinda Blalock who fought for the Confederacy as a soldier and then for the Union as a guerrilla raider Dr Mary Walker a doctor for the Union and the only woman to receive the Congressional Medal of Honor for Civil War service and Jennie Rodgers the longest serving woman soldier and the only woman to receive a soldier s pension *History of Woman Suffrage: 1861-1876* Elizabeth Cady Stanton,Susan Brownell Anthony,Matilda Joslyn Gage,Ida Husted Harper,1882 *Women in the U.S. Army* ,2002 This report provides an overview of research studies and analyses performed by the U S Army Research Institute on the utilization and training of women in the Army As numbers and roles of women have expanded since the All Volunteer Force began in the early 70s a number of research projects have been completed to address both the utilization and integration of women in Army units and the training of women particular in the Initial Entry Training program for combat support and combat service support soldiers The report also provides an annotated bibliography of research and studies conducted during the 1990s on a wide variety of issues related to women in the Army Report documentation page *Woman's Label League Journal* ,1916
