Women And The Military System:

A Companion to Women's Military History Barton Hacker, Margaret Vining, 2012-08-17 This volume addresses the changing relationships between women and armed forces from antiquity to the present eight chapters review the existing literature an extended picture essay visually documents women s military work and eight chapters illustrate more restricted topics

Women Soldiers Elisabetta Addis, Valeria E. Russo, Lorenza Sebesta, 1994-07-28 This book explores the consequences of the opening of the armed forces to women a recent development highlighted by the Gulf War It is a comprehensive interdisciplinary study of women as soldiers and officers the socio economic implications of their choice the problems they face and how their presence affects the military and alters traditional images of femininity The book shows how both of the options presently available complete assimilation to the prevailing masculine military model or exclusion have heavy costs for women
