The Propheying of Women George Francis Wilkin, 1895

A Question of Age Jacinta Parsons, 2022-09-01 A beautifully written searing and powerful examination of women and ageing that you will not be able to put down intense compelling poetic raging Warning this is not a self help book Or a helpful book necessarily No one really needs help with ageing It will happen no matter what we do Neither is it a book to guide you through these stages of ageing This book will not ask you to love your lines Or to post on social media that you feel privileged to age This book is instead a howl of rage Grappling with ageing is one of the most confronting elements of being a woman When we become invisible when we lose our sexual currency when we lose that elasticity in our skin when our bodies soften and change when our perceived value to society dramatically falls when our notion of self worth takes a radical shift What do we do when our outside self doesn't match our inside self That old woman staring back at her reflection in the mirror doesn't understand why she feels so young So how do we adjust our perceptions of getting older What does it mean to age as a woman How do we adjust our thinking about being in the world What is our currency now Jacinta believes that midlife is a crucial reckoning with despair and hope a time when you are naked in the centre of the world and no one notices or perhaps cares to look Midlife is a time when you take stock to look back and understand how you were made as a woman and to look forward into the future to see how you might unmake yourself to live the life that perhaps you should be living *A Question of Age* is incendiary raging and raw but also compassionate insightful

and powerfully energising It is a book for every woman looking in the mirror thinking she no longer recognises herself It is a book for our times PRAISE FOR A QUESTION OF AGE ABC presenter Jacinta Parsons is by turns poetic angry and circumspectly detached in delivering an intriguing often moving collective portrait A rumination on the female condition and ageing through the generations and beyond there is an epic quality to the book This is distinctive and resonant Sydney Morning Herald A rich first person exploration of an issue common to us all Parsons mines her own experiences in what becomes an immersive often brutal always honest the only way out is through approach to ageing Readers who enjoyed Annabel Crabb s *The Wife Drought* should enjoy *A Question of Age* for its depth research and straight shooting It is an insightful and thought provoking read Books Publishing Heartfelt deeply thoughtful blazing with truth filled rage Peggy Frew Deep honest beautiful Julia Zemiro It s hard to explain the relief one feels when an author tells the truth like this This is a work of love Clare Bowditch At once lyrical and searing *A Question of Age* is a book of both power and vulnerability A uniquely honest take on what it is to age in a woman s body how age deconstructs us and how we can also see it as a rebuilding and a reinvention it is the perfect antidote to the relentless stream of sexism and ageism that women ultimately contend with Furious lyrical tender and ultimately inspiring this is a book that should be read by all women whatever their age Monica Dux A life affirming and necessary read Jacinta Parson s illumination of womankind devours our female silence and complicity I was equal parts proud and appalled validated and illuminated this book gets personal and goes deep into our collective female experience I could not look away Confronting nurturing heartbreaking and uplifting all at once Mimi Kwa
