Remote and Hybrid Work Barbara Z. Larson, 2024 In *Remote and Hybrid Work What Everyone Needs to Know* R long time remote work scholar and consultant Barbara Z Larson provides an accessible and critical resource for understanding the remote and virtual workplace and how to lead in this new work environment Remote and hybrid work have become defining features of the twenty first century workplace and affect almost all of us including those who work daily in the office As many people discover the benefits and challenges of working from home co workers are contending with emptier offices and virtual teams managers are learning how to lead from a distance and businesses and governments are working through the policy implications of a new model of work In *Remote and Hybrid Work What Everyone Needs to Know* R Barbara Z Larson addresses key questions regarding the contemporary workplace what is the difference between virtual work and remote work How common is remote work and what changed due to the COVID 19 pandemic Is there a particular type of person who is better suited for remote work What are the effects of using technology to monitor remote workers What are the societal benefits and costs of remote work What has happened to companies that have tried to go fully remote with no offices at all Larson looks carefully into the challenges and opportunities that people and companies face today as work changes Chapters address the issues that vital stakeholders experience in remote work environments including the remote worker remote teams managers of remote workers and companies with remote workforces Larson also incorporates real world examples to illustrate key points and demonstrate best practices Readers will learn from more than thirty years of extensive research by scholars in the areas of applied psychology organizational behavior computer mediated communication and organizational economics *Remote and Hybrid Work What Everyone Needs to Know* R is a critical resource for understanding this new model of work

Work Less Jon Peirce, 2024-01-02 You can t have a healthy economy with an unhealthy work force *Work Less* proposes ways to reduce work hours and keep workers happier healthier and more productive Recent years have revealed just how stressed out many workers are While the trend to longer hours has been developing for several decades the trend s effects have been aggravated during the pandemic by the growing use of Zoom and other new technologies for meetings with clients customers and co workers Exhausted and fed up today s workers are starting to insist on shorter hours and greater flexibility as to where they do their work There is growing consensus that the forty hour week the norm since the 1940s has outlived its usefulness And there is an urgent need for new work schedules that adequately reflect the far greater intensity of work today as well as the greater family demands on a labour force made up of almost fifty percent women who bear the brunt of domestic duties *Work Less* offers practical scheduling suggestions to employers and workers and numerous policy options for government policy makers to improve working conditions

Impact of Teleworking and Remote Work on Business: Productivity, Retention, Advancement, and Bottom Line Chandan, Harish Chandra, 2024-04-26 The surge in remote and hybrid work arrangements has sparked a paradigm shift in the employment

ecosystem While remote work offers employees the coveted flexibility and freedom from daily commutes it also introduces challenges such as isolation reduced visibility and questions about productivity Impact of Teleworking and Remote Work on Business Productivity Retention Advancement and Bottom Line delves into the multifaceted impact of teleworking on businesses exploring how different organizations grapple with these challenges drawing on the experiences of industry giants like Google and IBM It carefully dissects the advantages and disadvantages of teleworking addressing distractions cybersecurity concerns and the polarized nature of remote work across global and skill dimensions The book presents an exploration of solutions tailored for diverse stakeholders From strategies to enhance employee productivity and maintain confidentiality to fostering human connections and tackling the challenges faced by new hires each chapter offers actionable insights Employers employees and management teams will find guidance on creating a collaborative and innovative remote work culture mitigating distractions and striking a balance between work and personal life The suggested topics span the gamut of remote work intricacies from the relationship between remote work and job satisfaction to strategies for maintaining connections between managers and remote employees With small medium and large companies government agencies and universities as the target audience the book serves as a strategic guide for entities seeking to harness the potential of remote work while mitigating its challenges
