Hagin, 1996-06 This inspiring book takes an innovative look at the eagle and draws many thought provoking analogies that graphically illustrate practical lessons believers can learn from this majestic bird *With Wings as Eagles* Daniel Stephen Halacy, 1975 **Soaring Like Eagles** Andreas Olufestus, PhD, 2021-04-02 The Eagle has the longest life span of its species It can live up to 70 years But to reach this age the eagle must make a very difficult decision In its 40th year the eagle s long and flexible Talons can no longer grab a prey which serves as food Its long and sharp beak becomes bent Its old aged and heavy wings due to their thick feathers stick to its chest and make it difficult to fly Then the eagle is left with only two options DIE or go through a painful process of CHANGE This process lasts for 150 days 5 months The process requires the

eagle to fly to a mountain top and sit on its nest There the eagle knocks its beak against a rock until it plucks it out Then the eagle will wait for the new beak to grow back after which it will pluck out its talons When its talons grow back the eagle starts plucking its old aged feathers And after this the eagle takes its famous flight of rebirth and LIVES for 30 more years Why is Change needed In order to survive and live We too have to start the change process We sometimes need to get rid of the unpleasant old memories negative habits and our fixed mindset Only when freed from the past burdens can we take advantage of the present If an eagle can make a life saving and life changing decision at the age of 40 why can t we In order to take on a new journey ahead let go of your negative old limiting beliefs Open up your mind and let yourself fly high like an eagle When it rains all birds occupy shelter But the EAGLE avoids the rain by flying above the clouds The problem is common to all but the attitude to solve it makes the difference Don t be afraid of change Accept it gracefully My questions to you is this Do you want to fly with the eagles or scratch with the turkeys Over to you *Soaring With Eagles* Neal Middle School,2016-12-21 Creative writing project from Neal Middle School in Durham N C [Soaring on Eagles's Wings: when the Supernatural Becomes Natural](#) J.
