Rat River Dick North,2005-12-01 The Arctic trails do indeed have their secret tales and one of the best is that of The Mad Trapper of Rat River equal to the legends of Bonnie and Clyde or John Dillinger Now author Dick North of course may have solved the mystery of the Mad Trapper s true identity thereby enhancing the saga Thomas McIntyre author of Seasons Days A Hunting Life A courageous and unrelenting posse on the trail of a furious and desperate wilderness outlaw Lean and bloody meticulously researched The Mad Trapper of Rat River is a dark and haunting story of human endurance adventure and will that speeds along like the best fiction Bob Butz author of Beast of Never Cat of God They called it The Arctic Circle War It was a forty eight day manhunt across the harshest terrain in the world the likes of which we will never see again The quarry Albert Johnson was a loner working a string of traps in the far reaches of Canada s Northwest Territories where winter temperatures average forty degrees below zero The chase began when two Mounties came to ask Johnson about allegations that he had interfered with a neighbor s trap No questions were asked Johnson discharged the first shot through a hole in the wall of his log cabin When the Mounties returned with reinforcements Johnson was gone and The Arctic Circle War had begun On Johnson s heels were a corps of Mounties and an irregular posse on dogsled Johnson on snowshoes seemed superhuman in his ability to evade capture The chase stretched for hundreds of miles and during a blizzard crossed the Richardson Mountains the northernmost extension of the Rockies It culminated in the historic shootout at Eagle River

The Mad Trapper Helena Katz,2004-01-01 Recounts the story of Canada s largest manhunt when hundreds of men spent 7 weeks tracking Albert Johnson across the frozen North **The Mad Trapper** Rudy Wiebe,2003 Story of Mad Trapper a silent man of superhuman strength and endurance who defied capture for 50 days in the bitter cold of winter north of the Arctic Circle *An Independent Stance* W. J. Keith,1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and unread It is criticism s prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of criticism Rat River Trapper Thomas P. Kelley,1972-01-01 **The Mad trapper** Rudy Wiebe,1981 **Finding the Arctic** Matthew Sturm,2012-06-15 The history of the Arctic is rich filled

with fascinating and heroic stories of exploration multicultural interactions and humans facing nature at its most extreme In Finding the Arctic the accomplished arctic researcher Matthew Sturm collects some of the most memorable and moving of these stories and weaves them around his own story of a 2 500 mile snowmobile expedition across arctic Alaska and Canada During that trip Sturm and six companions followed a circuitous route that brought them to many of the most historic spots in the North They stood in the footsteps of their predecessors experienced the landscape and the weather and gained an intimate perspective on notable historical events all chronicled here by Sturm Written with humor and pathos Finding the Arctic is a classic tale of adventure travel And throughout the book Sturm with his thirty eight years of experience in the North emerges as an excellent guide for any who wish to understand the Arctic of today and yesterday

CM ,1991 *Common Ground* Justin

Trudeau, 2014-10-20 The national bestseller Justin Trudeau has spent his life in the public eye From the moment he was born the first son of an iconic prime minister and his young wife Canadians have witnessed the highs and the lows sharing in his successes and mourning with him during tragic times But few beyond Justin s closest circle have heard his side of his unique journey Now in Common Ground Justin Trudeau reveals how the events of his life have influenced him and formed the ideals that drive him today He explores with candour and empathy the difficulties of his parents marriage and the effect it had on a small boy and the close relationship with a father whose exacting standards were second only to his love for his sons He explores his political coming of age during the tumultuous years of the Charlottetown Accord and the Quebec Referendum and reflects on his time as a teacher which was interrupted by the devastating losses of his brother and father We hear how a connection was forged with a beautiful young woman Sophie Gregoire who had known the Trudeaus in earlier days Through it all we come to understand how Justin found his own voice as a young man and began to solidify his understanding of Canada s strengths and potential as a nation We hear what drew Justin toward politics and what led to his decision to run for office Through Justin s eyes we see what it was like in those first days of seeking the Liberal nomination for Papineau when it was just he and Sophie and a clipboard in a grocery store parking lot and how hard work and determination won him not only the nomination but two hard fought elections We learn of his reaction to the considerable Liberal defeat in 2011 and how it clarified his belief that the Liberal Party had lost touch with Canadians and how that summer he was far from considering a run for the Liberal leadership but contemplating whether to leave politics altogether And we learn why in the end he decided to help rejuvenate the Liberal Party and to run for the leadership and for prime minister But mostly Justin shares with readers his belief that Canada is a country made strong by its diversity not in spite of it and how our greatest potential lies in finding what unites us in building on a sense of shared purpose our common hopes and dreams and in coming together on common ground
