not in fact his biological mother It seems he was born to an American woman who died shortly after his birth Along with his
grandfather Kumar sets out to find his biological mothers family He decides to go by Kane in in the States hoping that the
Americanized name will open more doors He also encounters Anita a reporter from the New York Times with dreams of

Howard won election after election serving as a New York state senator from 1974 through 1994 The record shows that he
had more votes on a major party line than any other senator One of his more memorable elections was in 1983 when he won
a surprising victory in the Republican dominated town of Bethlehem which hadnt elected a local Democrat in its 188 year
history Howard was always pushing for positive change and challenging the status quo which is why his relationship with
Albany mayor Erastus Corning backed by the powerful Democratic machine was often tumultuous He was called Albanys
