## **Womans Tale:**

A Womans Story a Mixture of Eastern and Western Culture Mousumi Hensh Das,2018-12-10 This is my first book It takes two years to complete the book In this book I have juxtaposed two cultures Eastern Culture and Western Culture side by side As I am an Indian I love Indian culture and Indian Sanskriti But going through the books on American culture American Literature my impression for U S A also increase This is the reason for which I have written this book and I have presented two cultures side by side in my book I have gone through E M Forster s A Passage to India E M Forster says East is East and West is West and never the twain shall meet I don t want to neglect E M Forster s view But in my book my heart and soul endeavour are to mingle east and west into one unit **Catalogue of Printed Books** ,1903 **Myth and materiality in a woman's world** Lynn Abrams,2013-07-19 Shetland has a history unique in Europe for over the past two centuries it was a place where women dominated the family economy and the cultural imagination Women ran households and crofts without men They maintained families and communities because men were absent And they constructed in their minds an identity of themselves as liberated long before organised feminism was invented And yet Shetland is a place which was made by the most masculine of societies those of the Picts Scots and above all the Vikings and its contemporary identity still draws on the heroic exploits and sagas of medieval Norsemen This book examines how against this tradition Shetland became a female place and offers answers as to how in this most isolated island community the inhabitants transgressed and reversed their traditional gender roles Reconstructing this woman s world from fragments of cultural experience captured in written and oral sources this book will appeal to scholars in the fields of social and cultural history social anthropology gender and women s studies ... **Catalogue of Printed Books** British Museum.
