## Written Gospel:

The Written Gospel Markus Bockmuehl, Donald A. Hagner, 2005-07-28 Leading experts in New Testament studies discuss the origins composition and reception of the canonical gospels in the early church within this volume Beginning with their earliest oral forms during the lifetime of Jesus and moving through the processes of oral tradition to their written composition by the evangelists the book then traces the continuation of this history in the gospels subsequent reception among pagans Jews and Christians down to the emergence of the earliest gospel commentaries *The Oral and the Written Gospel* Werner H. Kelber, 1997-11-22 A tightly argued and comprehensive treatment of an important area of New Testament studies *The Christian Century* By distinguishing oral from written modes of transmission Kelber skillfully unlocks new doors for biblical interpretation *Theology Today* What happens when speech turns into text Spoken words operating from mouth to ear process knowledge differently from writing which links the eye to the visible but silent letters on the page Based on this premise Werner Kelber discusses orality and writing and the interaction between the two at strategic points in the early Christian traditions In digressing from conventional literary criticism the book offers new and often startling insights into the origins of Christianity

**The Writing of the Christian Gospels** Rick Herrick, 2025-01-28 Biblical scholarship has come a long way from the notion that the four Gospels were written by an evangelist who was an eyewitness follower of Jesus The story of how these Gospels were actually written is a fascinating one Anyone with an intellectual interest in the New Testament should not miss this book

**The Media Matrix of Early Jewish and Christian Narrative** Nicholas Elder, 2019-11-14 Generically theologically and concerning content Mark and Joseph and Aseneth are quite different The former is a product of the nascent Jesus movement and influenced by the Greco Roman Bioi Lives It details the life ministry death and resurrection of a wandering Galilean The latter is a Hellenistic Jewish narrative influenced by Greek romances and Jewish novellas It expands the laconic account of Joseph s marriage to Aseneth in Genesis 41 into a full fledged love and adventure story Despite these differences Elder finds remarkable similarities that the texts share Elder uses both texts to examine media and modes of composition in antiquity arguing that they were both composed via dictation from their antecedent oral traditions Elder s volume offers a fresh approach to the composition of both Joseph and Aseneth and Mark as well as to many of their respective interpretive debates

The Gospel According to St. Mark, 1907 **People's Commentary on the Gospel According to Luke** Edwin Wilbur Rice, 1889 **The Gospel According to St. Mark** Alfred Plummer, 1915 *When were our Gospels Written? Collection of the Four Gospels Frédéric Louis Godet, William Affleck, 1899      The Origins of Mark Dwight Peterson, 2021-10-11 The book observes and calls into question the scholarly practice of constructing a community behind the Gospel of Mark and by implication other Gospels as well and using that community to control appropriate interpretation of Mark It presents and critiques particular exemplars of this practice and briefly suggests other ways to ground the interpretation of Mark After an introduction chapters are devoted to the work of Werner Kelber Howard Clark Kee and Ched Myers Critical conclusions are then drawn after which the recent work of Joel Marcus is discussed A final chapter briefly suggests ways forward Constructing communities behind Gospels and using those communities as interpretive keys in Gospel interpretation is a widespread scholarly practice To date no full length critique of the practice has been published This book fills that lacuna      The Gospel according to st.
