CHAINS
OF FATE

A promotional image for the TV series 'Chains of Fate'. It features four main cast members in a lush garden setting. On the left, a man with a mustache wears a black leather jacket over a patterned shirt. In the center, a woman with long brown hair sits on a large stone block, wearing a teal blazer and black tights. To her right, another woman with long dark hair sits on the same stone block, wearing a patterned blouse and a tan skirt. On the far right, a man stands wearing a dark brown trench coat over a light-colored shirt. In the background, there is a white building with a red-tiled roof and a covered porch, surrounded by green trees. The overall lighting is warm and golden, suggesting late afternoon or early morning.

Thomas Aquinas,Thomas de Vio Cajetan,2023-06-23 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers
