toward real estate mastery      **The Complete Guide to Real Estate Options** Steven D. Fisher, 2007 You are about to learn the true secret of real estate investing real estate options WHO really makes money in Real Estate Realtors sellers appraisers the bank brokers mortgage brokers closing companies attorneys taxing authorities and lastly perhaps you the investor who takes all the risk and does all the work while having to evict tenants and clean up their mess after they e tm ve left But there is a new unique and innovative method of investing in real estate A Real Estate Option gives you control of a piece of real estate without actually purchasing it By having an option on a piece of property you have the exclusive right to buy that property or not A real estate option is simply a contract between the seller and buyer giving you the legal right not obligation to buy the property at a set price for a predetermined time When you find a buyer for the property you cash in your option and deposit a large check Most real estate investment methods require you to sink a lot of your money time and effort into your investments And it is a slow process usually one property at a time often part time Using an option instead of purchasing means you do not have to deal with rental property tenants maintenance and repairs taxes mortgage payments commissions or closing costs In this new book you will learn how to control a vast real estate portfolio without ever buying the property Let the owner keep paying the mortgage dealing with tenants and all of the costs You zero in on the profits Here is an example you locate a duplex worth 400 000 you purchase an option to buy it for 340 000 anytime within the next 120 days On Day 60 you find a buyer who will pay the full 400 000 you activate the option pay the seller 340 000 and pocket 60 000 This is a simplified example but this new book details how to become a highly successful real estate option buyer and it demonstrates step by step how to get started in this highly rewarding investment strategy Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed      10 Strategies to Purchase Property Post-Pandemic Andrew Lieb, „Esq Mph Lieb, Lauren Lieb, 2021-06-23 For anyone thinking about investing in real estate today you need to read 10 Strategies to Purchase Property Post Pandemic It gives you all the essential legal information insightful industry concepts and practical pro tips that you need to make your next deal You will learn how to evaluate negotiate and close your next acquisition target Don t wait another second before you get started During the pandemic The Lieb Cast took the opportunity to write a book 10 Strategies to Purchase Property Post Pandemic The Ultimate Guide to Real Estate Investing As real estate people we quickly realized that the pandemic was a great disrupter to real estate and it would cause investment opportunities to appear everywhere Initially it caused city dwellers to escape to the suburbs and countryside which deflated the city s real estate valuations and

boomed prices everywhere else Then distressed properties popped when the federal and state moratoriums on foreclosures and evictions ran their course and the floodgates opened exposing the 1 in 5 renters behind on rent and just over 10 million homeowners behind on mortgage payments We knew that everyone everywhere would want to get in on the real estate game Yet simply writing a check is not how it s done unless you plan to go broke Real estate investing takes a tremendous amount of knowledge and skills Dumb luck can only get you so far Unfortunately other books in the marketplace lacked the substance that investors craved and required So we set out to fill that gap in the marketplace This book is different It details everything that an investor needs to know from the time that they say I want to invest to the moment that they close on their purchase It starts by helping the investor to set their bottom line both emotionally and with hard numbers and it ends by teaching the investor how to craft a business plan so that they can start investing today In the middle we include countless negotiating skills legal lessons and plain English explanations of each key contractual clause that must be negotiated when purchasing real estate While this book was written for the post pandemic time period the skills that it delivers are timeless Every real estate investor needs to read this book It will quickly become their ultimate go to guide and desk reference About The Lieb Cast Andrew and Lauren are partners in life both professionally and personally They are thought leaders educators and entrepreneurs They operate a law firm a licensed real estate school and a compliance company Together the Liebs also host a weekly podcast The Lieb Cast which discusses how current events impact real estate and business They are highly educated and articulate real estate professionals who have the unique ability to share their expertise in an understandable language that every listener and reader can grasp and benefit from They make the technical palatable [Ultimate Guide to Commercial Real Estate Financing](#) Daniel and Matthew Rung, Is it time to buy a building for your business Not sure how to do so Read our guide book for the answers This is an extensive guide book to commercial real estate financing for small business owners It systematically covers various financing options from traditional bank loans and SBA loans to CMBS bridge and hard money loans and even mezzanine financing and seller financing Each section details the advantages disadvantages and nuances of each option emphasizing crucial factors like interest rates loan terms and required documentation Key financial metrics like Debt Service Coverage Ratio DSCR and Net Operating Income NOI are explained and the importance of due diligence and property valuation is heavily stressed The guide book also addresses the legal and regulatory aspects of commercial real estate financing and provides advice on choosing a lender and managing the loan post acquisition The overarching purpose is to demystify the complex process empowering small business owners to make informed decisions that align with their business goals and financial capabilities [The Complete Guide to Real Estate Finance for Investment Properties](#) Steve Berges,2011-01-06 This practical real world guide gives investors all the tools they need to make wise decisions when weighing the value and potential of investment properties Written for old pros as well as novice investors this friendly straightforward guide walks readers step by step through every stage of property analysis Whether you re buying or
