Wodehouse, 2018-12-21 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. Jeeves presents the ideal image of the gentleman: being highly competent, dignified, and respectful. Incredibly knowledgeable about topics ranging from horse racing to history, Jeeves has an encyclopedic knowledge of literature and academic subjects. He frequently quotes from Shakespeare and the romantic poets. Well informed about members of the British aristocracy thanks to the club book of the Junior Ganymede Club, he also seems to have a considerable number of useful connections among various servants. Jeeves uses his knowledge and connections to solve problems inconspicuously.
