**Very Long War** Margaret Reeson, 2016-10-18 A Very Long War is about the experiences of the families of men missing in the New Guinea islands during World War 2 many of whom never returned When Japan entered the Pacific war the Australian Government evacuated all Australian women and children from the Territory of New Guinea The women found themselves suddenly alone and solely responsible for the welfare of their families Back in Australia they were cut off from letters and reliable news for three and a half years Rumours abounded adding to their trauma and anxiety Like the families of POWs they lived in a limbo of waiting For many of them the effects of the mystery and the trauma have continued to the present day A Very Long War is a calm respectful narrative beautifully told never over written Its poignant sometimes shocking stories are treated with insight and restraint Through the voices of those who provided oral testimony it echoes the common condition of all people struggling to deal with trauma and loss

**A Long Long War** Ken Wharton, 2008-05-16 The author of *Bloody Belfast* delivers a vivid and unforgettable record of the Northern Irish conflict that captures the true horrors of war Best of British There are stories from some of the most seminal moments during the troubles in Northern Ireland the Crossmaglen firefights the 1988 corporals killings the Ballygawley bus bombing and more told from the perspective of the British soldiers who served there between 1969 and 1998 This was a war against terrorists who knew no mercy or compassion a war involving sectarian hatred and violent death Over 1 000 British lives were lost in a place just thirty minutes flying time away from the mainland The British Army was sent into Northern Ireland on August 14 1969 by the Wilson government as law and order had broken down and the population mainly Catholics and property were at grave risk Between then and 1998 some 300 000 British troops served in Northern Ireland This is their story in their own words from first to last Receiving a remarkable amount of cooperation from Northern Ireland veterans eager to tell their story the author has compiled a vivid and unforgettable record Their experiences sad and poignant fearful and violent courageous in the face of adversity even downright hilarious make for compelling reading Their voices need to be heard One of the first and only books to offer the perspective of regular British soldiers serving in the Northern Irish conflict a valuable addition to the extensive literature about the Irish Troubles Choice

**How a Free People Conduct a Long War** Charles Janeway Stillé, 1862  
*Ceasefires* Govinda Clayton, Simon J. A. Mason, Valerie Sticher, Andreas Wenger, 2025 Almost all intrastate conflicts involve ceasefires yet we know little about their variable role or what makes them effective or ineffective in ending civil conflict When are ceasefires used when and how do ceasefire and political negotiation processes foster or impede each other and how do various context factors condition this relationship Ceasefires applies a novel analytical framework to nine different cases The contributors to this book explore the dynamic interaction between both the ceasefire process and the long term peace process focusing on questions that have previously received little attention The book shows how the ceasefire process and political negotiations for a settlement are in actuality distinct processes often involving different actors

strategies and challenges All case chapters are co authored by teams that include a senior practitioner who was intimately involved in the peace process of the actual case and an academic expert
