destroy but to remind everything that is not light is only a temporary shadow This collection of affirmations is no ordinary book This is a series of vibration keys life mantras and fiery embraces for the soul coming home Read with intention Say it with breath Feel it with your heart If one day you feel this fire is too strong remember the intensity is always according to your readiness If it feels soft it s because you re ready to melt into the light itself With love and gratitude I leave this group to you May the Golden Flame burn away all that no longer serves you and let the eternal shine brightly Jakarta March 2026
