

Rest in Peace

1 

Enchantment

When Rest in Peace enters the battlefield, exile all graveyards.

If a card or token would be put into a graveyard from anywhere, exile it instead.

“The king ordered those lost in sleep be placed in glass caskets, protected and watched in case they might one day wake.”

—The Wicked Slumber

The Rest Is Magic

The Rest Is Magic:

The Camera Does the Rest Peter Buse, 2016-05-27 In a world where nearly everyone has a cellphone camera capable of zapping countless instant photos it can be a challenge to remember just how special and transformative Polaroid photography was in its day And yet there s still something magical for those of us who recall waiting for a Polaroid picture to develop Writing in the context of two Polaroid Corporation bankruptcies not to mention the obsolescence of its film Peter Buse argues that Polaroid was and is distinguished by its process by the fact that as the New York Times put it in 1947 the camera does the rest Polaroid was often dismissed as a toy but Buse takes it seriously showing how it encouraged photographic play as well as new forms of artistic practice Drawing on unprecedented access to the archives of the Polaroid Corporation Buse reveals Polaroid as photography at its most intimate where the photographer photograph and subject sit in close proximity in both time and space making Polaroid not only the perfect party camera but also the tool for frankly salacious pictures taking Along the way Buse tells the story of the Polaroid Corporation and its ultimately doomed hard copy wager against the rising tide of digital imaging technology He explores the continuities and the differences between Polaroid and digital reflecting on what Polaroid can tell us about how we snap photos today Richly illustrated The Camera Does the Rest will delight historians art critics analog fanatics photographers and all those who miss the thrill of waiting to see what develops *The Old Book of Magic* Lauron William De Laurence, 1918 **A Magical Education** John Michael

Greer, 2019-03-11 In these talks written and presented to a variety of audiences between 2001 and 2010 John Michael Greer explores the forgotten history of occultism and its unexpected possibilities in our time From practical methods of occult training to the politics and metapolitics of magic from the shadowy world of Victorian sex magic to the alchemy of initiatory ritual from the complex origins of modern Neopaganism to the approaching twilight of Neopagan pop culture and what comes next the talks collected in this book seek to inspire curiosity and reflection not to set out an ironclad case for this or that point of view This book is an extraordinary insight into the life and work of a working magician and occultist
