These Two Commandments:

These Two Commandments Boyce Mouton,1979 The Second Commandment Joey R. Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God s plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man s rejection of his creator Rather God s simple twofold plan of redemption included both a commandment to love the creator with all one s heart mind soul and strength and a commandment to love one s neighbor as one s self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don t like A choice to love what you don t understand A choice to love until the God you love sets everything right in eternity What Jesus Demands from the World John Piper,2006 for every healthy tree bears good fruit Demand 28 love your enemies lead them to the truth Demand 29 love your enemies pray for those who abuse you Demand 30 love your enemies do good to those who hate you give to the one who asks Demand 31 love your enemies to show that you are children of God Demand 32 love your neighbor as yourself

Elemental Claims of the Gospel Walter Brueggemann,2024-09-24 These essays cover themes that have long occupied my thinking and permit me to offer something of a summary of my work The substance and action of the Old Testament and consequently the entire Bible consists in the reality of God the agency of human persons and the interaction between them amid the larger scope of all creation Thus the first three sections of this book concern in turn God the human agent and the riddle of communication between them In the fourth and final section of the book I turn yet again to the book of Jeremiah in which I have over time invested much of my scholarly energy from the Preface *Visions of the Rapture and Unseen Realm* Glenda Dumas,2016-11-30 The Lord shall descend from heaven with the voice of the archangel The angel that I saw may be Michael Michael and Gabriel are the only archangels that are mentioned in the Bible Michael appears to have a key role in the end time plan of God Therefore it may be a strong guess that Michael is the angel that I saw and communicated with about the Rapture I also have a special message for gang members drug abusers adults teenagers and the youth I wrote my visions down for you to know what is out there waiting for you on the other side of the veil I peeped over and saw some things that were good and witnessed a horror that was beyond my wildest dreams Most of you have not read the Bible and a number of you who have act as though you have forgotten what is in it I often encounter people old and young who say that they cant understand the Bible Therefore I use a number of verses that are taken directly from the Bible to support the visions that I have seen I am doing this purposely to acquaint you with a book that you all know but very seldom pick up to read Hopefully it will be a reminder that the Bible is inclusive of everything from the beginning of time to the end Most of

these Bible verses are self explanatory *A Marginal Jew: Rethinking the Historical Jesus, Volume IV* John P. Meier,2009-06-02 John Meier s previous volumes in the acclaimed series *A Marginal Jew* are founded upon the notion that while solid historical information about Jesus is quite limited people of different faiths can nevertheless arrive at a consensus on fundamental historical facts of his life In this eagerly anticipated fourth volume in the series Meier approaches a fresh topic the teachings of the historical Jesus concerning Mosaic Law and morality with the same rigor thoroughness accuracy and insightfulness on display in his earlier works *A Pocket Compendium of the Doctrines, Institutions, Duties, and Evidences of Christianity, etc* ,1875 *Journeying to Jesus* Seth Karn,2024-07-26 *Journeying to Jesus* describes the day to day and practical way to finding a surrendered life to Jesus So many Christians long for a deeper relationship with Jesus *Journeying to Jesus* describes the successes and failures that we must meet to be one with Jesus in this life In the 21st century it can be hard to find the sacred and old paths to Jesus *Journeying to Jesus* should take every reader to a deeper love and knowledge of Jesus and His blessed ways If we have the desire and faith Jesus will bring us to Himself even in this life So that we may be those who can say we live for Jesus and love Him and our Father with all we are It is possible to be one with our Lord Jesus Are you ready to journey to Jesus *The Apocalypse Revealed in which are Disclosed* Emanuel Swedenborg,1876 **The Holy Bible, According to the Authorized Version (A.D. 1611): pt.
