The Four Gospels, as Interpreted by the Early Church Francis Henry Dunwell, 1876 *The Metamorphosis of Tianxian pei* Wilt L Idema, 2014-12-15 This volume is the most extensive social and cultural history of twentieth century Huangmei Opera to date A regional Chinese theater originating in the Anqing countryside Huangmei Opera gained popularity with the success of the 1950s play and movie Tianxian pei Married to a Heavenly Immortal Through a case study of this work the author juxtaposes the complex process of rewriting and revising the play and movie against the rapidly changing cultural and ideological climate of the Communist theater reform movement As a result the traditional theme of filial piety becomes a struggle over class and free love This volume features a full translation of the original play and its revision in the 1950s as well as selected articles by scriptwriters directors performers and critics These primary sources allow readers to gain access to inside views of the contemporaries and their political and artistic concerns Wilt Idema is one of the most important scholars in Chinese literary and cultural studies Few in the academia can emulate him in both the spectrum of specializations and the depth of scholarship From Yuan drama to Ming fiction and traditional folk culture to modern performing arts Idema s work demonstrates a Sinologist s dedication erudition and originality at its best Tianxian pei is arguably the most popular play in midtwentieth century China In his book Idema discusses the play s roots and ramifications its incarnations in multiple genres and medial forms and its significance in modern Chinese cultural politics His critical insight is illuminating and his translational expertise impeccable *The Metamorphosis of Tianxian pei* is a major contribution to the studies of Chinese folklore literature theatre and media by David Derwei Wang Harvard University

Project Reports of the National Institute of Law Enforcement and Criminal Justice , 1972 **The Complete Works of Shakespeare** William Shakespeare, 1894 **Zen Time** Raji C. Steineck, 2025-09-01 Offers a groundbreaking approach to a key text in Zen Buddhism In *Zen Time* Raji C Steineck provides a robust contextualization of D gen s Uji the most renowned text on time in Zen Buddhism Situating the text within the historical context of the medieval Zen master s writing Steineck illustrates how D gen shaped the rhythm of life in the Zen monastery to actualize his idea that time in itself

is salvific D gen was meticulous in his observation of the particulars of each temporal moment regarding them as an opportunity to bring together interrelated tenets of Buddhist doctrine and practice In contrast to readings that equate the Zen approach to time with living the moment and that pit qualitative understandings of time against quantitative understandings Steineck shows how D gen was able to connect time s qualitative and quantitative aspects in a way that despite its mystical elements remains instructive in relation to contemporary secular and philosophical discussions The book includes a translation of Uji in an appendix *The Millennial Harbinger Abridged* ,1902 **Extracts from the flying roll, a series of sermons addressed to the lost tribes of the house of Israel** James Jershon Jezreel,1879 The Student's Concordance to the Revised Version, 1881, of the New Testament of Our Lord and Saviour Jesus Christ ,1882 **The Book of Sun-dials** Margaret Gatty,Mrs. Alfred Gatty,1872 *The Master Library: Using and teaching the Bible* Walter Scott Athearn,1927 **Digest; Review of Reviews Incorporating Literary Digest** ,1927 **Tragedies, poems, sonnets, glossary** William Shakespeare,1904 **Caesar, Books IV (20-38) ...
