The concepts learned in this book will also help the reader in organizing their own personal finances. Among the topics discussed in this book are budgeting, bank reconciliations, and preparing a simple Balance Sheet that may be required by the bank if you are applying for a loan or mortgage. The reader will also learn the complete accounting process involved in keeping the books for a small business.

Due to the local and global changes and the issue of Industrial Revolution 4.0, higher education needs to comply with the paradigm. Labor requirements and competence require curriculum reformation from input-based education to outcome-based education. In learning the paradigm, friction appears from instructional paradigm to learning paradigm. To solve the related problem, LP3M Institute of Educational Development and Quality Assurance Universitas Andalas initiated the International Conference on Educational Development and Quality Assurance ICED QA 2. This conference was attended by experts and researchers from different countries to discuss the issues about Educational Quality Development in Industrial Revolution 4.0. **Proceedings of the 4th International Conference on Applied Economics and Social Science, ICAESS 2022, 5 October 2022, Batam, Riau Islands, Indonesia** Dedi Kurniawan, Jessica Olifia, Andi Erna Mulyana, Sugeng Riadi, Rizki Lanniari HS, 2023-01-09 This volume contains a collection of papers presented at The 4th International Conference on Applied Economics and Social Science ICAESS 2022 which was held on 5th October 2022 in Batam, Indonesia.
