Understanding End Times Prophecy A Comprehensive Approach:

Understanding End Times Prophecy Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

UNDERSTANDING END TIMES PROPHECY PAUL N. BENWARE, 1999 **The Revelation Commentary** Dennis James Woods, 2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn t need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It s the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that s wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events to come *Preaching and Teaching Difficult Texts of the New Testament* Bryan Murawski, 2025-08-05 Understand how to preach or teach all the New Testament including passages or genres that prove challenging What do preachers do when they come across a difficult passage not covered in seminary What about teachers who haven t even been to seminary This book equips all of them to understand and handle challenging passages and genres in the New Testament such as Introductions lists of names and conclusions in the epistles Well known well worn stories Short passages Texts that may not be considered inspired or that have textual issues Old Testament quotations or allusions References to noncanonical texts such as Enoch or Maccabees Enigmatic passages such as baptized

on behalf of the dead 1 Cor 15 29 Potentially explosive topics such as homosexuality and gender Eschatological texts such as Jesus Olivet Discourse or the book of Revelation Preaching and teaching the Bible is difficult work but it s worth the effort As Paul wrote to Timothy all Scripture is inspired and useful for teaching even the difficult ones If we know where to look and how to dig significant treasure awaits the adventurous preacher and teacher

The Pastor's Personal Friendships: Conflicts, Boundaries, and Benefits David Simmons,2014-04-28 This book examines the pastor s friendships as they impact a pastor s effectiveness in ministry and his or her personal well being Because friendships require high levels of self disclosure friendships introduce potential conflict for the pastor as personal self disclosure may conflict with the pastor s expected role Taking a qualitative approach this study looks at how pastors navigate the areas of friendship both inside and outside their congregations The research involved interviews with ten congregational pastors and reports themes that emerged from the interviews The researcher developed four friendship types that assist the pastor in balancing pastoral role expectation with expression of vulnerability

Rushing Ahead to Armageddon Christopher M. Jones,2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38 39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38 39 in light of the Bible Author s Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time

Worthy to Escape Marlon L. Sias,Adrian Zenz,2012-11-07 Many Christians base their understanding of the end times on the popular pretribulation rapture view They expect that Jesus will rescue them just in time before the tribulations of the Antichrist However few people realize that every single biblical promise of being raptured at that time is conditional on personal spiritual readiness Eminent Christian leaders such as A B Simpson founder of the Christian and Missionary Alliance as well as Hudson Taylor founder of the China Inland Mission first taught this biblical perspective of a conditional rapture In

their captivating account the authors take their readers on a fascinating journey through the pages of the Bible showing how biblical prophecies from Daniel to Revelation point toward not just one but two raptures a conditional first fruits rapture for the ready wise virgins of the church and a later rapture for foolish virgin believers who are spiritually unprepared Packed with fresh scriptural insights this book will prepare and equip you for the times ahead Worthy to Escape makes for a thoroughly intriguing read It is rare for Christians to apply the Hebraic traditions regarding marriage to the rapture That and the books strong focus on spiritual intimacy set it apart from the majority of end times writings Messianic Rabbi Ed Rothman Hon M Div Hon Dr M S J C Seed of Abraham Messianic Congregation St Louis Park MN Everyone should become familiar with the first fruits rapture I highly recommend this book Rev J McCracken Team Leader TrueBridge Family of Churches Any student of eschatology needs to read this book and consider its insights Bible colleges and seminaries should use it as a reference work and make it required reading Pastor T Porta Grace Gospel Church Cambridge MN
