The Trapper's Journey M. Scott Parvino, 2010-04
When suddenly the bear rears up not thirty feet to the front of us I react instantly brining my rifle to my shoulder and firing almost at the same instant I hit him because he looks at us I turn and yell Darleen up that tree She gets the limb from her saddle while I m still reloading and pulls her self up I wish that tree was bigger but it was the nearest one to her position I get my rifle reloaded just as the big grizzly breaks through the underbrush spruce and aspen saplings not twenty feet in front of me I throw the gun to my shoulder to fire But Pegasus starts bucking almost as soon as the rifle comes to my shoulder Consequently I get a shot off but it s a dead miss because both me and the rifle are flying through the air I hit the ground hard I lay all sprawled out The next thing I feel is the bear s hot breath The rifle is ten feet away it might as well be ten miles and I couldn t reload fast enough anyway
