Tomson, Joshua J. Schwartz, 2014-08-21 The papers in this volume are organized around the ambition to reboot the writing of history about Jews and Christians in the first two centuries CE Many are convinced of the need for a new perspective on this crucial period that saw both the birth of rabbinic Judaism and apostolic Christianity and their parting of ways Yet the traditional paradigm of Judaism and Christianity as being two totally different systems of life and thought still predominates in thought handbooks and programs of research and teaching As a result the sources are still being read as reflecting two separate histories one Jewish and the other Christian The contributors to the present work were invited to attempt to approach the ancient Jewish and Christian sources as belonging to one single history precisely in order to get a better view of the process that separated both communities In doing so it is necessary to pay constant attention to the common factor affecting both communities the Roman Empire Roman history and Roman archaeology should provide the basis on which to study and write the shared history of Jews and Christians and the process of their separation A basic intuition is that the series of wars between Jews and Romans between 66 and 135 CE a phenomenon unrivalled in antiquity must have played a major role in this process Thus the papers are arranged around three focal points 1 the varieties of Jewish and Christian expression in late Second Temple times 2 the socio economic military and ideological processes during the period of the revolts and 3 the post revolt Jewish and Christian identities that emerged As such the volume is part of a larger project that is to result in a source book and a history of Jews and Christians in the first and second centuries **God Challenges the Dictators, Doom of the Nazis Predicted** Rees Howells, Mathew Backholer, 2022-11-01 A book for all to read and ponder deeply Rees Howells December 1939 Available for the first time in 80 years God Challenges the Dictators Doom of the Nazis Predicted Fully annotated and reformatted with digitally enhanced photos Discover how Rees Howells built a large ministry by faith in times of economic chaos and learn from the predictions he made during times of national crisis of the destruction of the Third Reich the end of fascism and the liberation of Christian Europe during World War II I could not take prayers that morning because I was carried away in the spiritual realms reading my book I could not put it down until I finished it Rees Howells January 1940 Excerpts were translated into German and sent to Hitler Goebbels Himmler and other senior Nazi officials for New Years Day 1940 extracts of which were broadcast from the Freedom Broadcasting Station sought after by the Gestapo Rees Howells had the assurance that God would not surrender Protestant Germany the land of the Reformation to Hitlerism the Antichrist It was revealed to us that the Devil had entered into Hitler The book is in two parts and the predictions have become true Rees Howells November 1945 God Challenges the Dictators includes the history of the Bible College of Wales BCW Swansea founded by faith under Rees Howells from its inception in 1922 to the purchase of the Glynderwen Estate in 1923 followed by Derwen Fawr Sketty Isaf and Penllergaer now part of
