Thinking Difference:

The Allure of Decadent Thinking Carl Olson, 2013-03-07 The use of postmodern thought to approach the study of religion threatens to call into question the values and representational mode of thinking typical of the field Religious studies with a radical scepticism grounded in an embrace of decadence by postmodern thinkers has the potential to undermine subvert and distort the study of religion making it difficult to understand the subject if such an approach is uncritically adopted by scholars seeking new ways to study it

Death, Time and the Other Saitya Brata Das, 2020-01-27 This book addresses the limits of metaphysics and the question of the possibility of ethics in this context It is divided into six chapters the first of which broadens readers understanding of difference as difference with specific reference to the works of Hegel The second chapter discusses the works of Emmanuel Levinas and the question of the ethical In turn the concepts of sovereignty and the eternal return are discussed in chapters three and four while chapter five poses the question of literature in a new way The book concludes with chapter six The book represents an important contribution to the field of contemporary philosophical debates on the possibility of ethics beyond all possible metaphysical and political closures As such it will be of interest to scholars and researchers in both the humanities and social sciences Beyond the academic world the book will also appeal to readers journalists intellectuals social activists etc for whom the question of the ethical is the decisive question of our time
