Thinking Self:

The Ceiling Outside Noga Arikha, 2022-05-03 As her mother slips into the fog of dementia a philosopher grapples with the unbreakable links between our bodies and our sense of self A diabetic woman awakens from a coma having forgotten the last ten years of her life A Haitian immigrant has nightmares that begin bleeding into his waking hours A retired teacher loses the use of her right hand due to pain of no known origin Noga Arikha began studying these patients and their confounding symptoms in order to explore how our physical experiences inform our identities Soon after she initiated her work the question took on unexpected urgency as Arikha's own mother began to show signs of Alzheimer's disease Weaving together stories of her subjects troubles and her mother's decline Arikha searches for some meaning in the science she has set out to study The result is an unforgettable journey across the ever shifting boundaries between ourselves and each other

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
