

JULIAN SYMONS

Grand Master—Mystery Writers of America

A THREE-PIPE PROBLEM

"Mr. Symons has never done
anything so wholly delightful."

—Edmund Crispin

Three Pipe Problem

Jianjun Gao

Three Pipe Problem:

A Three-Pipe Problem Julian Symons, 2001 Actor Sheridan Haynes had a preoccupation with Sherlock Holmes So when the chance came for him to play the part in a TV series his dreams had come true And when London was plagued by a series of unsolved murders it seemed natural for him to investigate Was this a case of a misguided actor or was Sheridan actually on to something

A Three-Pipe Problem Julian Symons, 2013 Small time actor Sheridan Haynes has a rather unhealthy preoccupation with Sherlock Holmes So when the chance comes for him to play the famous detective in a TV series it seems his dreams have come true And when London becomes plagued by a series of unsolved murders well it seems only natural for him to take his role into real life Is this a case of a laughable and misguided actor or is Sheridan actually on to something

The Green Popular Penguins Story It was in 1935 when Allen Lane stood on a British railway platform looking for something good to read on his journey His choice was limited to popular magazines and poor quality paperbacks Lane s disappointment at the range of books available led him to found a company and change the world In 1935 the Penguin was born but it took until the late 1940s for the Crime and Mystery series to emerge The genre thrived in the post war austerity of the 1940s and reached heights of popularity by the 1960s Suspense compelling plots and captivating characters ensure that once again you need look no further than the Penguin logo for the scene of the perfect crime

A Three-Pipe Problem Julian Symons, 1989-01-05 When Scotland Yard s Chief Superintendent fails to make headway on two prominent karate murders actor Sheridan Holmes and Baker Street resident gets into the off screen act to the delight of press and public

A Three Pipe Problem Julian Symons (Schriftsteller, Grossbritannien), 1975

ABOUT SIXTY: Why Every Sherlock Holmes Story is the Best Christopher Redmond, Dan Andriacco, 2016-11-14 Sixty original tales of Sherlock Holmes which one is the best In sixty essays sixty Sherlockians make the case for each of the stories Their arguments range from the playful to the academic and are as varied as the authors themselves As editor Christopher Redmond says What they have written is compelling evidence that any one of the Sherlock Holmes stories can be the best it s all a matter of what the reader is looking for Sir Arthur Conan Doyle s tales range from Victorian horror to jewel heists to society scandals As these authors show there s a Sherlock Holmes adventure for every taste This volume benefits the Beacon Society No royalties from the sale of this volume will be paid to either the authors or the editor Royalties earned will with the cooperation of the publisher be turned over in their entirety to the Beacon Society a not for profit organization of Sherlockians with the purpose of introducing young people to Sherlock Holmes through classrooms and libraries

Nashville Scholars of the Three Pipe Problem, Features the Nashville Scholars of the Three Pipe Problem a literary discussion group based in Nashville Tennessee devoted to Sherlock Holmes the fictional character of British physician and writer Arthur Conan Doyle 1859-1930 Includes a newsletter an online discussion group and event information

So What? Kevin Duncan, 2008-02-28 So What gets straight to the point so you can cut through the noise and nonsense of work Much of what we learn in our formative years is unlearned in later life As

grown ups we are often unable to answer the simplest of questions in a clear direct way and frequently have no idea why we are doing something This can lead to crippling inefficiency in business and goes some way to explaining why so many people spend so much time doing things that have no bearing on the true purpose by behaving in a genuinely inquisitive way you can get right to the heart of the matter and save yourself hours days and even months of anguish The questions So what Why How and When can be hugely effective when applied in the right context and this book shows you how to use them Once all the right questions have been posed there is a final sure fire method for testing whether something is relevant and helpful By completing the sentence Something must be wrong if it is simple to work out if you are wasting your time For example Something must be wrong if I don t want to go to work in the morning So What shows you how to become truly inquisitive again So let the questions roll Pay attention to what the answers are Learn from them and you will immediately improve your prospects of finally getting somewhere in life

A Professor Reflects on Sherlock Holmes Marino Alvarez,2016-12-15 The uniqueness of this book is the essays and activities that include both serious and farcical writings about Arthu Conan Doyle s Sherlock Holmes A travelogue that compares Reichenbach Falls and Trummelbach Falls for Professor Moriarty s demise and notes from a visit to Trinity College at Oxford to view Monsignor Knox s writings and entries in the Gryphon Club Book provide the reader with engaging insights into Sherlock Holmes world of scholarship

Adventures of Sherlock Holmes Arthur Conan Doyle,1892

Thinking Inside the Box Adrienne Raphel,2020-03-17 This cultural and personal history of crosswords and their fans written by an aficionado is diverting informative and discursive The New York Times Book Review Editors Choice A delightful erudite and immersive exploration of the crossword puzzle and its fascinating history Almost as soon as it appeared the crossword puzzle became indispensable to our lives Invented practically by accident in 1913 when a newspaper editor at the New York World was casting around for something to fill empty column space it became a roaring commercial success almost overnight Ever since then the humble puzzle has been an essential ingredient of any newspaper worth its salt But why exactly are the crossword s satisfactions so sweet Blending first person reporting from the world of crosswords with a delightful telling of its rich literary history Adrienne Raphel dives into the secrets of this classic pastime Thinking Inside the Box is an ingenious love letter not just to the abiding power of the crossword but to the infinite joys and playful possibilities of language itself
