## Step One:

**PhDeath** James Carse, 2016-11-01 Book *PhDeath* is a fast paced thriller set in a major university in a major city on a square. The faculty finds itself in deadly intellectual combat with the anonymous Puzzler. Along with teams of US Military Intelligence and the city's top detective and aided by the Puzzle Master of *The New York Times*, their collective brains are no match for the Puzzler's perverse talents. Carse Emeritus Professor himself at a premier university in a major city on a square shows no mercy in his creation of the seemingly omniscient Puzzler who through a sequence of atrocities beginning and ending with the academic year turns up one hidden pocket of moral rot after another. Flawed research, unabashed venality, ideological rigidity, pornographic obsessions, undue political and corporate influence, subtle schemes of blackmail, the penetration of national and foreign intelligence agencies, brazen violation of copyrights, even the production and sale of addictive drugs.

*Peer Coaching for Adolescent Writers* Susan Ruckdeschel, 2009-11-13 Susan Ruckdeschel provides a clear rationale for having student writers coach each other as they revise their work. Her explanations, examples, practical tips, and reproducibles enable teachers to use the process successfully in their own classrooms. This peer review process is straightforward, engaging, and flexible and aims to develop students' independence as writers. Denise Nessel, Education Consultant and Mentor, National Urban Alliance for Effective Education, helps students develop their inner editor through the power of peer coaching. Students who understand how to analyze the writing of others can use those skills to improve their own writing. Peer coaching is a collaborative process that engages learners in student-to-student interactions to help them become more proficient writers. Susan Ruckdeschel provides a concise road map for using peer coaching to help secondary students clarify their writing goals and deepen their understanding of effective writing. Aligned with state and IRA/NCTE standards, *Peer Coaching for Adolescent Writers* shows teachers how to teach students to articulate a purpose for their writing, formulate questions for feedback, provide constructive comments to their peers, and incorporate the critiques of their peers into their writing. Designed for ease of use, this book offers clear step-by-step tips for implementing the peer coaching process, ideas for using peer coaching across content areas, an appendix of ready-to-go reproducible forms including scripts, checklists, rubrics, and more. Transcripts, photos, and classroom examples throughout. Adaptations for students with special needs and English language learners. By developing their writing and editing skills through the peer review process, students can become effective communicators both in and out of the classroom.
