## Still Talking:

Wait A Minute, God's Still Talking Warren Powell, Mary Beth Powell, 2010-03 In today's society everyone is busy busy taking the kids to school busy with work busy with life We're always rushing to and fro never really taking the time to slow down We throw a quick Lord keep me safe today in the mornings but Wait a Minute God's Still Talking In their second book Warren and Mary Beth Powell highlight the importance of taking the time to listen to what God has to say back to you Wait a Minute God's Still Talking is a collection of short stories like you'd hear told from your grandparents on the back porch simple easy to understand and yet always pointing toward God's faithfulness Warren and Mary Beth share from their own experiences blending insights wit and humor with biblical truths To show how God will use everyday items to catch our attention and teach us something if only we'd stop to listen Did you ever think God would use bull paper towels to teach about being centered on Christ bull a motorcycle license plate to explain his forgiveness bull Scotch tape as an example that he is our God 24/7 bull or a cell phone as a lesson about hiding sin Warren and Mary Beth Powell live in Henderson Texas This is their second book a continuation of Sonbeams or short devotionals that began in their first book *A Dirty Sink A Bug and Squirrels God Speaks* *God Is Still Talking* James E. Hamer, 2009-09 Is God still talking This book makes the question a statement God is still talking The real question is Are you listening God is still talking to you Did God have anything more to say after the completion of Scripture or has he retreated into silence In *God Is Still Talking* Dr James E Hamer explores these and other questions pertaining to a daily relationship with Christ He takes the reader on a journey to the greater dimension of living in the Spirit where there is daily access to the presence of God It is an invisible reality there to be explored and experienced rather than argued and analyzed if believers want to hear God talking Dr Hamer sees a capacity for more in our personal relationships with Christa sacred places where God is still speaking How is it possible to have a personal relationship with someone who is invisible *God Is Still Talking* will help you recognize the various ways that God is communicating his direction insights and truth to your life What is God saying to you **Works** Leonard Merrick, 1921
