

Stranger Danger

What is a stranger?

- A stranger is someone that we do not know at all. This is a person that we have never met before.

Strangers in everyday life

We interact with strangers a lot in our everyday lives.

For example:

Stranger danger

- To make sure we always have positive, **safe** interactions with strangers, we need to think about **stranger danger**.
- This means that we think about the **potential danger** that can happen when we interact with strangers.
- This doesn't mean that every stranger wants to hurt us, but it means we stay **aware** that strangers can be dangerous.
- How can we be safe around strangers?
