The Move:

Climate Change and People on the Move Fanny Thornton, 2018-10-24 This book applies a justice framework to analysis of the actual and potential role of international law with respect to people on the move in the context of anthropogenic climate change That people are affected by the impacts of climate change is no longer doubted including with implications for people movement migration displacement relocation etc *Climate Change and People on the Move* tackles unique questions concerning international responsibility for people movement arising from the inequities inherent to climate change Corrective and distributive justice provide the analytical backbone and are explored in a substantial theoretical chapter and then applied to subsequent contextual analysis Corrective justice supports analysis as to whether people movement in the climate change context could be conceived or framed as harm loss or damage which is compensable under international law either through fault centred regimes or no fault regimes i e insurance Distributive justice supports analysis as to whether such movement could be conceived or framed as a disproportionate burden either for those faced with movement or those faced with sheltering people on the move from which duties of re distribution may stem This book contributes to the growing scholarship and analysis concerning international law or governance and people movement in response to the impacts of climate change by investigating the bounds of the law where the phenomenon is viewed as one of in justice

Jews on the Move Sidney Goldstein, Alice Goldstein, 1996-01-01 Based on data from the 1990 National Jewish Population Survey the authors examine the high level of mobility among American Jews and their increasing dispersion throughout the United States and how this presents new challenges to the national Jewish community

A is for Asylum Seeker: Words for People on the Move / A de asilo: palabras para personas en movimiento Rachel Ida Buff, 2020-08-04 A clear and concise A to Z of keywords that echo our current human rights crisis As millions are forced to leave their nations of origin as a result of political economic and environmental peril rising racism and xenophobia have led to increasingly harsh policies A mass mediated political circus obscures both histories of migration and longstanding definitions of words for people on the move fomenting widespread linguistic confusion Under this circus tent there is no regard for history legal advocacy or jurisprudence Yet in a world where the differences between undocumented migrant and asylum seeker can mean life or death words have weighty consequences A timely antidote to this circus A is for Asylum Seeker reframes key words that describe people on the move Written to correct the de meaning of terms by rhetoric and policies based on dehumanization and profitable incarceration this glossary provides an intersectional and historically grounded consideration of the words deployed in enflamed debate Skipping some letters of the alphabet while repeating others thirty terms cover everything from Asylum seeker to Zero Tolerance Policy Each entry begins with a contemporary or historical story for illustration and then proceeds to discuss the language politics of the word The book balances terms affected by current political debates such as migrant refugee and illegal alien and terms that offer historical context to these controversies such as fugitive unhoused and

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **The Move**

In a global inundated with monitors and the cacophony of immediate transmission, the profound energy and emotional resonance of verbal art frequently disappear in to obscurity, eclipsed by the constant assault of sound and distractions. Yet, nestled within the lyrical pages of **The Move**, a charming work of literary elegance that pulses with organic emotions, lies an unforgettable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, this magical opus manuals readers on a psychological odyssey, gently exposing the latent possible and profound affect embedded within the complex internet of language. Within the heart-wrenching expanse with this evocative analysis, we shall embark upon an introspective exploration of the book is main subjects, dissect its interesting publishing style, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
