Window Magic:

Hitchcock's Magic Neil Badmington, 2011-04-15 Why are we still drawn to the work of Alfred Hitchcock so long after his final film appeared What remains to see What could there possibly be left to say about tales that are overwhelmingly familiar Why moreover have many of Hitchcock's films entered the popular imagination and enjoyed an eventful life far from the screen What is the source of Hitchcock's magic This book answers these questions about the influence and ongoing appeal of Hitchcock's work by focussing upon the fabric of the films themselves upon the way in which they enlist and sustain our desire holding our attention by constantly withholding something from us We keep watching keep revisiting the stories because there is always something left to see and know The book combines detailed textual analysis of a number of Hitchcock's most famous films *Psycho* *Rear Window* *Rebecca* *North by Northwest* *The Man Who Knew Too Much* and *The Birds* with more general discussion of the director's complete body of work Drawing upon the poststructuralist theories of Roland Barthes and Jacques Derrida it takes issue with the biographical and psychoanalytic approaches that have dominated studies of Hitchcock's films to argue instead for the significance of textuality *Hitchcock's Magic* is an innovative lively and readable book which challenges critical orthodoxy and breaks new ground in the field **Illustrator 10 for Windows and Macintosh** Elaine Weinmann, Peter Lourekas, 2002 The top selling guide to *Illustrator* now in a fully revised edition for Version 10 The authors provide a comprehensive thorough introduction to all of *Illustrator 10*'s tools and features in a visual task based guide that makes it easy to learn **PC Mag**, 1994-06-28 *PCMag.com* is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Silent Selling** Judith A.
