Roster of Revolutionary Soldiers in Georgia Mrs. Howard H. McCall,2010-07 Mrs McCall s roster of Georgia soldiers
in the Revolution was compiled over many years The work as a whole is cumulative with only slight albeit significant
differences in the kinds of information which may be found in one volume versus another This volume Volume II contains
records of officers and soldiers not only from Georgia but from other states many of whose descendants later came to
Georgia because of liberal land grants The Appendix contains miscellaneous records and documents of the families of some
Revolutionary soldiers and officers Clearfield Company also publishes Volumes I and III Volume I coontains the records of
hundreds of Revolutionary War soldiers and officers of Georgia with genealogies of their families and lists of soldiers buried
in Georgia whose graves have been located Volume III the longest of the work is similar in scope to this volume except that
the majority of the entries are for Georgia officers and soldiers with only some material relating to other states The three
volumes each of which is indexed refer to as many as 20 000 persons overall **Stephen Pace** Stephen Pace,Katharina Rich
