Willow Pattern:

A Poetic History of the Willow Pattern Jennifer C Petersen, 2020-10-05 The weeping willow legend which is represented on tableware interior designs and more is also known as the Willow pattern The design varies but the most usual form is as follows to the right is the country seat of a lordly Chinese Mandarin The mansion is two stories high and enclosed by a wooden fence In the foreground is a pavilion in the background an orange tree and to the right of the pavilion is a peach tree At one end of a bridge is the famous Willow tree and at the other end is the humble cottage of the gardener In the upper left hand corner of the pattern is an island with a cottage on it Two turtledoves are shown On the bridge are shown two lovers with a boat a Mandarin with a whip is near the Willow tree The legend which these pictures represent is as follows The Mandarin had only one daughter named Li Chi sometimes named Koong se Koong si or Koong she who fell in love with Chang who had been secretary to Li Chi s father One day the Mandarin heard the two young people making vows of eternal love under the orange tree He severely rebuked them and forbade the unequal match But the lovers eloped and for a while remained hidden in the gardener s cottage from which they made their escape in a boat to the island home of Chang The enraged Mandarin pursued them and would have beaten them to death with a whip but the gods of old China intervened and rewarded them for their fidelity by changing them into turtledoves The story is known as the Willow legend because the elopement occurred when the Willow begins to shed its leaves This decorative Chinese design is traditionally blue on a white background but is also created in pink brown and multi colored It was introduced on chinaware in England in the early 1780 s at Thomas Turner s porcelain factory in Caughley by Thomas Minton and the story was later constructed to boost sales of the crockery Blue Willow has inspired a comic opera silent movies children s books blog posts and Pinterest pins Blue Willow china versions have been adorned with gold trim for the most discriminating person to some say the inspiration for the Blue Plate Special at diners Stories abound Talented poets who appreciated the Blue Willow pattern story wrote their story versions for those of us from generations past to today who love and admire the illustrated love story and the beautiful Blue Willow pattern as tableware teacups and teapots drapery and various textiles
