Street Smart:

Street Smart John Positano, Rock Positano, 2022-10-04 The essence of being street smart is the ability to take advantage of lucky breaks And everyone at least once in their lifetime gets a lucky break What they do with that lucky break varies tremendously from individual to individual Street smart people don't just sit around waiting for something to happen and fall into their laps they create their lucky breaks It's certainly not taught in school and formal education Why is it so important to take advantage of these lucky breaks Because Working hard isn't enough Networking isn't enough Diligence isn't enough Brilliant strategizing isn't enough Old school ties aren't enough Internal politicking isn't enough Working around the clock isn't enough Professional competence isn't enough You need something more You need to be street smart And successful people will tell you how right here in this book and will explain some of the techniques they employed that brought them to the head of the class

How to be Street Smart Yaser Qandeel, 2025-01-27 Street smart is one of those phrases we hear a lot but rarely think about Everyone wants to be street smart but as Yaser Qandeel discovered in his experience and research for this book it means many different even contradictory things to different people How to Be Street Smart clears up the confusion and shows anyone who really wants to be street smart how to go about it step by step For Yaser being street smart is more than just a term in the dictionary or a trendy catchphrase It means having self respect confidence skills knowledge of people and what motivates them and a no nonsense understanding of how the real world works It is about finding your own way in life overcoming challenges and winning other people to your side whether in the world of business and entrepreneurship or in dating and relationships How to Be Street Smart is a practical guide to success in your own business or side hustle and on the dating scene and every aspect of life If you're tired of working for others in the 9 to 5 treadmill and getting friend zoned or ghosted in the online dating scene this book is for you Yaser Qandeel lays out in an honest straightforward style the hard headed go getter mindset you need to develop and the pragmatic steps you can take to put that street smart mindset to work in your life today Being street smart means being always ready to learn new skills and ideas in order to be exceptional not ordinary a winner not a loser It's about never taking no for an answer picking yourself up and trying again when you fall short and learning to use your hard earned street smarts and problem solving skills to make things work for you rather than accept what others are willing to give you If you have these qualities people will see you as a leader You'll be able to go as far as you want Most people live their whole lives unable to achieve their dreams But using the street smart mindset taught in this book the sky will truly be your limit

The Dundee directory, 1905 *Tent City: Stories from the Heart* Donna M. Kshir, Lee Roberts, 2017-01-24 Shortly after the release of Tent City Tragedy Turned Triumph controversy struck We received several hundred emails and private messages some threats from several people who were upset with the book's outcome They believed the book seemed to be one-sided and fabricated by one individual's story completely conflicting with how the residents of Charleston West Virginia described the aftermath of Tent City This news broke our hearts as our sole intention was to help the men and women of Tent City Being strong believers of truth and justice we thought it was best to have the whole story told Broken-hearted and angry as hell we dug deeper into the story connecting with many more of the residents of Tent City and those left in its aftermath As they shared with us on a deeper level their experiences we now realize we were misled and crucial pieces of this important story were withheld from us Now we are pleased to bring you the true story of Tent City by those who lived it
