

A conceptual illustration of a human brain with glowing neural connections and a hand holding a whiteboard marker. The brain is rendered in a realistic, anatomical style with a warm, golden-brown color palette. It is surrounded by a dense network of glowing, ethereal lines in shades of blue, purple, and pink, representing neural pathways or data flow. A hand is visible at the bottom left, holding a white marker, suggesting the act of writing or presenting information. The overall background is a dark, deep blue with subtle light effects, creating a futuristic and scientific atmosphere.
