Success Women Sara Etch, 2018-06-30 Success women Stories to maintain their success But what is noticeable is that a man usually tells others about behaviors he follows or

attitudes he takes because he is a successful person But women hide from others a lot of attitudes and behaviors in their lives and do not tell anyone This stems from the argument that men can show what they want but women can not they may become subject to criticism Seven things that a successful woman conceals from others The Brazilian study showed that a large number of male celebrities sometimes publicly say about certain behaviors associated with them and do not care about it There are celebrity men who suddenly recognize that they are addicted to drugs some of whom suddenly declare that they are abnormal and other strange things that may be chilling when heard from a successful man who is an example to others A woman has a lot of discretion about her own habits and behaviors at home or about her life in general The Brazilian study identified seven attitudes and behaviors for a successful woman that she does not tell anyone First strange routines The Brazilian study says successful women may follow strange routines in their lives but we do not know them because they do not tell anyone For example women sleep oddly eat dinner at an unusual time after midnight for example or shower once a week and over reliance on perfume to avoid the smell of unpleasant smells **Success Journal For Women** Angela Young,2021-12-10 There is this myth that goes around saying that once you leave your teenage you can never change your Habits One can analyze this for themselves Everyone has a list of new year s resolutions and goals We hope to get these things done to some extent but never do we ever really have a clear idea of how to get to those goals in the least possible time We always desire a better future but never really know how to bring the necessary change in our lives The change we need is a change in attitude and behavior towards life altogether Change is never easy but it is achievable with some sheer willpower You might be on the right track to lead a better life but there are always more and better things to add to your daily habits that can be helpful in your daily life Listen closely and hear the accentuation of your thoughts Then speak their creative ingenuity into being Create something that only you can [Resources in Women's Educational Equity](#) ,1979-05
