## Sunset Temptation:

*Sunset Temptation* Jane Toombs, 1989-06      **Fate** Marcus Hogan, 2024-12-19 The CAPULET series set in France Italy during the spiralling age of the early Renaissance is the passionate predecessor to the greatest love story of all time a genesis tale of how Romeo Juliet s families came to be at each other s throats In 1434 two innocent children Armand Ilaria are promised at birth Despite the rising influence of writers who now advocate couples should marry for love no one expects this pair to grow to love each other All expect them to marry and lead their faction the warrior House of Capulet And so drawn together by fate and familial design while France remains on a knife edge with their English enemies they must learn to survive the glamorous but ruthless world of ambition passion and power they re destined to navigate together CAPULET is their sprawling tale often humorous elegant and heartfelt sometimes gritty brutal and relentless while Ilaria s predilection to experience dark premonitions and cross the path of foresighted mystics creates expectations that lead them on to heart stopping moments Book 1 FATE begins in Lyon with the events that lead to the couple s betrothal The saga completes in Book 6 FOLLY on a day when the sweeping events of their deadly feud with Romeo s faction cause the Capulet reins of power to be handed to Armand s brother Juliet s father At that moment Armand and Ilaria s daughter Rosaline is eight years old Eight years later two months before her cousin Juliet turns fourteen Rosaline will meet Romeo first and their tragic sequel will be set in motion But CAPULET is also the story of how a third mighty faction the House of Paris led by a fiery young Duchess joins in their rivalry She swears their loyalty to one side but adds fresh powder to the rivalry which threatens to ignite in both directions at once Appetites for ambition abound in CAPULET yet so does a thirst for revenge Who will survive them      **The Cumulative Book Index** ,1903      **To Light A Candle** Connie Monk, 2016-01-14 Cynny Barlow is just eighteen when she falls helplessly in love with the dashing Ralph Clinton an ambitious and talented actor visiting her home town for the summer However when Ralph is talent spotted by a film producer he puts everything behind him and leaves for the big time with no idea that Cynny is already pregnant Whilst her daughter Suzie is a toddler Cynny can see no way out of her life of drudgery working at the grocer s during the day and as a barmaid in the evenings to make ends meet Her one friend in the village the vicar s wife Kate Bainbridge is sympathetic but has her own problems Although the face she shows the parishioners is one of contentment Kate yearns for more passion in her life than her husband Richard seems able to give her Lately she has been charmed by Richard s old friend Perry Sylvester a famous jazz pianist But so far there is nothing in his behaviour to suggest that he feels the same way But everything is set to change for all concerned for when Perry makes Cynny s acquaintance he recognises in her a rare singing talent one that would perfectly match the jazz he plays in the nightclubs of London      *A Dreadful Temptation; or, A Young Wife's Ambition* Mrs. Alex. McVeigh Miller, 2019-11-27 In *A Dreadful Temptation or A Young Wife s Ambition* Mrs Alex McVeigh Miller delves into the intricate web of societal expectations personal ambition and moral dilemmas faced by women in the late 19th century This novella combines elements

of melodrama and domestic fiction showcasing a rich descriptive style that brings to life the emotional landscape of its characters McVeigh Miller's narrative deftly critiques the constraints placed upon women while encapsulating the epoch's cultural tensions making it not just a story of a young woman's aspirations but a broader commentary on gender roles and societal standards of the time Mrs Alex McVeigh Miller was a prominent author during the Victorian era known for her prolific output of sensational and romantic novels A former actress and a keen observer of society her experiences undoubtedly influenced her exploration of female ambition and the moral quandaries that accompany it Her background allowed her to portray complex female characters who defy the constraints placed upon them revealing insights into the aspirations and struggles of women in her time This book is a compelling read for those interested in feminist literature or historical fiction as it provides a nuanced exploration of ambition within the confines of 19th century society McVeigh Miller's work serves both as a mirror to her contemporaries and a prescient narrative for contemporary readers making *A Dreadful Temptation* a must read for anyone fascinated by the evolution of women's roles in literature
