The God File Frank Turner Hollon,2003-08-27 Gabriel Black finds himself sentenced to prison for life without the possibility of parole for a murder he did not commit and in his hopelessness starts a file to store evidence of the existence of God

The God File Frank Turner Hollon,2002 In this dark and honest novel Gabriel Black finds himself sentenced to prison for a murder he did not commit As he questions God s existence in one of the darkest corners of the world Gabriel creates a file where he stores any evidence of the divine no matter how unseemly

The God Files Calvin Robert Schoonhoven,2015-11-09 I approach this writing with some hesitation There is much to be gained in such an effort but also much to be lost This will be clear as we proceed However it must be forthrightly recognized that there is no heroism in such a revision of thought When we have to do with religious commitment it is not heroism that energizes a change in position and commitment but rather a tenacious use of reason to acquire truth This is not to say that a departure from a faith structure to a non God position is easy or to be taken lightly It costs quite considerably

The God File Deryck Hunte,2023-09 The God File empowers us to become storytellers of our own lives capturing the essence of each season and recording the remarkable ways in which God s grace guidance and intervention manifested Through the act of journaling we crystallize these narratives creating a testament to His continuous presence and the transformative impact He has on every chapter of our journey Within the pages of The God File we delve deep into the heart of our experiences preserving not only the joyful and awe inspiring instances when God s hand was evident but also the moments of testing and tribulation that ultimately led to our growth and strength By meticulously documenting these details we construct a source of comfort for times of uncertainty allowing us to revisit the profound truth that God s unwavering presence will never abandon us regardless of the challenges we face Indeed as the eyewitness of God s actions in our lives we hold an uncontestable account of His presence and interventions that no one can refute Our personal experiences stand as a testament to His undeniable impact and unfailing love
