## **The Jeweled Path:**

**The Jeweled Path** Karen Johnson, 2018-01-09 An intimate account of the development of a spiritual tradition and a biography of its creators told by one of the Diamond Approach cofounders The Jeweled Path invites you to enter into the story of how the modern spiritual path of the Diamond Approach emerged With humor and intimacy Karen Johnson cofounder with A H Almaas reveals the personal experiences that birthed the teaching and furthered its development These profound awakenings occurring amidst ordinary life became the building blocks of a remarkable new approach to human nature and to our understanding of reality *The Jeweled Path* Catherine Macdonald, 2001 As readers experience Rebecca's path to self discovery they will also yearn to find their true selves and conquer obstacles The steps along the Jeweled Path allow each reader find their own direction in life The spiritual lessons entwined with the story promote feelings of self worth Becca pondered the heaviness of Vicky's words Its been so long since I've done something just for myself she sighed I would feel incredibly guilty Vicky broke out into bubbly laughter Guilt a male invention to keep women neatly in their place I didn't tell you to fly first class to Paris I suggested taking a few days of R R you look peaked rundown and if you don't mind my bluntness you look like I did five years ago I've only known you a little while but I feel you're at the beginning of the Jeweled Path After years of dealing with the daily trials of raising a family Rebecca feels she is just floating along While digging through some old trunks in the attic she finds a picture of herself at nineteen and wonders where the carefree girl from the picture has gone She determines that she has to do something When she drops her son off at college she meets a woman who suggests that she take a few days for herself to follow the Jeweled Path the path is littered with obstacles but as she befriends spiritually minded people each new friend offers her a jewel of wisdom and Rebecca grows in strength and understanding as if guided by unseen hands *The Jewel Ornament of Liberation* Gampopa, 1998-01-01 A masterwork of Tibetan Buddhism providing the complete foundation for study and practice from beginning to Buddhahood Includes teachings on Buddha nature finding the spiritual master impermanence karma cultivation of bodhicitta development of the six perfections the ten bodhisattva bhūmis Buddhahood and the activities of the Buddha *The Fox and the Jewel* Karen A. Smyers, 2021-05-25 The deity Inari has been worshipped in Japan since at least the early eighth century and today is a revered presence in such varied venues as Shinto shrines Buddhist temples factories theaters private households restaurants beauty shops and rice fields Although at first glance and to its many devotees Inari worship may seem to be a unified phenomenon it is in fact exceedingly multiple noncodified and noncentralized No single regulating institution dogma scripture or myth centers the practice In this exceptionally insightful study the author explores the worship of Inari in the context of homogeneity and diversity in Japan The shape shifting fox and the wish fulfilling jewel the main symbols of Inari serve as interpretive metaphors to describe the simultaneously shared yet infinitely diverse meanings that cluster around the deity That such diversity exists without the apparent knowledge of Inari worshippers is explained by the use of several

communicative strategies that minimize the exchange of substantive information Shared generalized meanings tatemae are articulated while private meanings and complexities honne are left unspoken The appearance of unity is reinforced by a set of symbols representing fertility change and growth in ways that can be interpreted and understood by many individuals of various ages and occupations The Fox and the Jewel describes the rich complexity of Inari worship in contemporary Japan It explores questions of institutional and popular power in religion demonstrates the ways people make religious figures personally meaningful and documents the kinds of communicative styles that preserve the appearance of homogeneity in the face of astonishing factionalism

**The Copper-Colored Mountain** Jigme Lingpa,2022-11-01 A translation of Jigme Lingpa's eighteenth century Tibetan Buddhist aspiration prayer for taking rebirth in the pure land Copper Colored Mountain accompanied by a commentary and analysis by the translators While Pure Land Buddhism is generally thought of as an East Asian tradition with an Indian origin the Copper Colored Mountain is in fact the first and only pure land with scriptural origins entirely in the Tibetan tradition It represents Tibetan culture's fascinating intersection of traditional history with liturgical tantric practice The Copper Colored Mountain is understood to be the current abode of Padmasambhava the Indian master credited with first bringing Buddhism to Tibet and founding Tibet's first monastery Samye After leaving Tibet it is said that Padmasambhava set up residence on C mara one of the two islands on either side of the continent of Jambudvīpa our world according to Buddhist cosmology After taming the resident ogres of C mara and converting them to Buddhism he then built an octagonal palace where Buddhist practitioners may be transported in visions and dreams or reborn through aspiration prayers This work is a translation and analysis of one such aspiration prayer This prayer was composed by Jigme Lingpa a treasure revealer of the Nyingma tradition in the eighteenth century and remains the most important prayer to this pure land in Tibetan Buddhism Merging academic precision in representing the Tibetan texts and devotion to the principles of tantric Buddhism translators Georgios T Halkias and Christina Partsalaki enable a wider appreciation of the history and impact of this prayer in Tibetan Buddhist literature while elucidating its meaning for Buddhist practitioners
