Canal Company Donegan agreed to work with Cromwell on the canal question although he personally despised him Donegan conferred with Bunau Varilla in France but they quickly returned to America when they heard that Congress would soon vote on whether the canal should be built in Panama or Nicaragua All seemed lost when the House of Representatives overwhelmingly supported Nicaragua Bunau Varilla influenced the French Canal Company to lower the price for its canal concession and Donegan influenced President Roosevelt who previously favored Nicaragua to support the Panama site Congress had to make the final decision about the canal site Senator Morgans Committee on Interoceanic Canals supported the Nicaragua Canal Morgan and other senators argued that no can Summary of Activities During 1979 United States.
