Suddenly Alone:

Beautiful Piece Joseph G. Peterson, 2009-10-01 During a deadly Chicago heat wave that's claiming hundreds of lives Robert who's stuck in his apartment alone fears he's going to be the next victim In the apartment above him lives a shell shocked Vietnam veteran who talks obsessively about the corpses of his war experience while alternately listening to Die Meistersinger and Madama Butterfly One day Robert ventures forth into the searing heat to gas up his car Immediately he encounters enigmatic Lucy who is trying to escape her brutal fianc Matthew Gliss On a whim Lucy invites Robert to her apartment where she shows him her mysterious tattoo and tells him of her dangerous life with Matthew Gliss She warns Robert that if Matthew ever catches them together he should run not walk because Matthew won't think twice of killing him So begins the risky short lived relationship that leads to a chilling climax Each of Robert's increasingly hallucinatory recollections of what happened during the heat wave leads him to profoundly question his own culpability Old and Alone Jeremy Tunstall, 2024-05-10 What is it like to be an isolated old widow living alone on the bare old age pension In the 1960s the question had become a standard refrain Originally published in 1966 this was the first full length study by a sociologist of isolation in old age Although the majority of old people were in no sense a problem group at the time a substantial minority of the elderly were alone in one or more ways About 1.3 million people aged sixty five and over in Britain lived alone a large number admitted to feeling lonely at least sometime About a million were actually socially isolated in terms of low level and frequency of social contact Mr Tunstall also uses a fourth category of aloneness namely anomie as developed by Durkheim Merton and Srole This report uses careful and statistical analysis of the four types of aloneness and of specially affected groups such as the single the recently widowed and the housebound But it also includes details of interviews with ten highly individual old people from suburban Harrow booming Northampton industrial revolution Oldham and rural South Norfolk The book contains a discussion of the problem of personality in isolation and a commentary on the inadequacies of social theory about old age Finally the concluding chapter suggests a wide variety of policy measures which might help to alleviate social isolation in old age **What We Eat When We Eat Alone** Deborah Madison, 2009-05-01 RENOWNED VEGETARIAN COOKBOOK AUTHOR Deborah Madison set out to learn what people chew on when there isn't anyone else around The responses are surprising and we aren't just talking take out or leftovers This is food gone wild in its most elemental form In a conversational tone What We Eat When We Eat Alone explores the joys and sorrows of eating solo and gives a glimpse into the lives of everyday people and their relationships with food The book is illustrated with the delightful art of Patrick McFarlin and each chapter ends with recipes for those who dine alone *Delphi Collected Works of Arthur Schnitzler (Illustrated)* Arthur Schnitzler, 2025-11-21 Arthur Schnitzler was an early twentieth century playwright and novelist celebrated for his psychological dramas dissecting turn of the century Viennese bourgeois life His Jewish upbringing and the sexual content of his works made them controversial and banned in his time and beyond His plays reveal a unique gift of
