## Summer King:

*The Summer's King* Cherry Wilder,1986      *The Summer's King* Cherry Wilder,2016-05-17 Tradition demands that King Sharn Am Zor conduct himself with all the pomp and circumstance befitting a king of Chameln but underneath the fine jewelry and the beautifully embroidered tunic he secretly hates Sharn remains an impulsive restless young man After the suggestion of marriage provokes an angry outburst from Sharn during a formal ceremony his beloved cousin and co ruler Queen Aidris Am Firn promises to draw up a list of suitable maidens To everyone s surprise Sharn not only listens to her counsel he proceeds to confidently select a princess from the land of the Eildon to be his wife But courtship is far more complicated than Sharn had originally imagined for in Eildon neither the land nor the people are as they appear While Sharn must compete against other suitors for the hand of the princess the loyal companions who accompany him are faced with a series of magical attacks that begin as petty pranks but soon escalate into outright hostility with potentially fatal consequences As Sharn nears the end of his quest however he learns that this predation may be the least of his problems
