**The Sun Dreamer** Anelise Newman,2012-06-13 All humans need magic to survive In the land of Dargonell built on magic instead of matter the inhabitants are sustained by the power in the air But on Earth the citizens must rely upon the service of the Dreamers Dargonian superhumans who mentally balance the Earthlings in their sleep preserving them from madness and death They have been keeping Thea of Riverdream alive for fourteen years and she had no idea Until one night Thea falls asleep in her bed on Earth and wakes up in Dargonell with the Dreamers as the only clue to her arrival As she and her new allies a naive Elfin Dreamer and a Light wizard with an aura of darkness decide to seek the sorcery that can send Thea home they discover a link between her and Dargonell that could explain her mystifying arrival and the influential enemies that seem unaccountably intent upon capturing her But when a powerful anonymous Master does the impossible cuts off the supply of magic to both Earth and Dargonell the Dreamers lose their ability to balance the Earthlings and Thea is faced with a choice to flee to the place that was once her home just to helplessly watch it die or to confront this new mysterious mercenary and almost certain death

**Native Anthologies II** Zia Akhtar, 2022-01-01 This book is a dramatic reconstruction of the life stories of 3 Native Americans chiefs who lived on the American frontier in the 19th century. It gives a view of history that comes from the perspective of the Native American peoples. The narratives revolve around 3 giants of history: Sitting Bull, Chief Joseph, and Geronimo, who belonged to the Indian tribes of the American West that roamed on the Plains since their origins. They had signed treaties with the US Government, the Great Father in Washington, but which had been infringed by the settlers driven by the greed of appropriating the land that belonged collectively to the Indigenous peoples. The journey on the frontier to escape the Cavalry, which was trying to subdue the Native Americans, was arduous, prolonged, and dramatic.
