Thurston**

## **The Pentecostals:**

*The Pentecostals* Walter J. Hollenweger, 1972      *The Pentecostal Mission in Palestine* Eric Nelson Newberg, 2012-06-13  
The Pentecostal mission in Palestine is a virtually unknown episode in the history of Pentecostalism Its story begins in 1906 at the Azusa Street Revival from which missionaries were sent to Palestine In its first thirty years the Pentecostal mission in Palestine gained a foothold in Jerusalem and expanded its reach into Jordan Syria and Iran It was severely tested and lost traction during the tumultuous period of the Arab Revolts World War II and the Partition Crisis With the catastrophic war of 1948 the Pentecostal missionaries fled as their Arab clients were swept away in the Palestinian Diaspora After 1948 a valiant attempt was made to revive the mission but only with relative success Although the Pentecostal missionaries failed in their objective of converting Jews and Muslims they were eyewitnesses of the formative events of the Arab Israeli conflict Newberg argues that the Pentecostal missionaries functioned as brokers of Pentecostal Zionism He offers a postcolonial assessment of the Pentecostal missionaries crediting them for advocating philosemitism yet bringing them up short for disregarding the civil rights of Palestinian Arabs espousing Islamophobia and contributing to the forces working against peace in the Holy Land      *The Challenges of the Pentecostal, Charismatic and Messianic Jewish Movements* Revd Dr Peter Hocken, 2013-05-28 This book explores the Pentecostal and charismatic movements tracing their development and their variety Hocken shows how these movements of the Holy Spirit both outside the mainline churches and as renewal currents within the churches can be understood as mutually challenging and as complementary The similarities and the differences are significant The Messianic Jewish movement possesses elements of both the new and the old Addressing the issues of modernity and globalization this book explores major phenomena in contemporary Christianity including the relationship between the new churches and entrepreneurial capitalism      **The Pentecostal Takeover** Lee Stanford, 2005 The Pentecostal Takeover is the last book on Pentecostalism necessary to convince the Church of its decomposing effect on the body of Christ Finally a daring book with Biblical solutions      **Culture and Personality Aspects of the Pentecostal Holiness Religion** William W. Wood, 1965      **The Pentecostal Movement** Nils Bloch-Hoell, 1964      **The West Coast Republics of South America** Webster E. Browning, John Ritchie, Sir Kenneth George Grubb, 1930      *The Pentecostals* Walter J. Hollenweger, Richard Armstrong Wilson, 2012-06 Immensely impressive both in its handling of primary sources and in its knowledge of the literature of the subject one of the first really scholarly documentations of Pentecostal belief and practice Church Times A magnificent book critical but sympathetic detached yet deeply involved and meticulously documented William Barclay in The Expository Times      **Abstracts of Theses** University of Chicago, 1930      *Faiths for the Few* William Joseph Whalen, 1963      *Pillar of Fire* ,1930      *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock, James Strong, 1889      **Pentecostals from the Inside Out** Harold B. Smith, 1990      *The Life and Letters of St. Paul* David Smith, 1919      *Haldeman-Julius Monthly* ,1926      *Roman Catholic/Pentecostal Dialogue*

(1977-1982) Jerry L. Sandidge, 1987 Vatican II opened the doors of the Roman Catholic Church for official theological dialogue with separated brethren The rise of the neo Pentecostal movement and charismatic renewal caused the doors of the historical Pentecostals to open toward Christians in the mainline churches This book discusses the historical precedents of the Vatican Pentecostal Dialogue and reviews the ten years Dialogue 1972 1982 with special attention given to the second five years The implications of this Dialogue for ecumenism is also discussed Volume Two contains all the documents from the second quinquennium including the 16 theological papers and final report

**The Life of Saint Hugh of Lincoln** Herbert Thurston, 1898
